## Summer School 2016

Mt. Vernon High School will offer a summer school program for students who:

- need to recover credits
- want to take classes to free up room in their schedules during the school year to take additional elective classes, vocational school classes or participate in ICE.

**Format:** All Summer School classes will be taken online through PLATO. Any course available to MVHS through PLATO may be taken during Summer School (with the exception of Physical Education). Students may sign up and complete multiple courses during Summer School.

Physical Education will be offered during Summer School. PE will begin on Monday, June 6th and end on Friday, July 1st. The PE class will run from 8:30 pm to 12:15 pm daily. Students may miss no more than 4 days of PE to receive credit for the class.

**When:** Classes will begin on Monday, June 6th. All students must report for class on Monday June 6th or Tuesday, June 7th. After the initial mandatory class meeting, students must report to MVHS to take all unit post tests and final exams in their courses. Students may report to MVHS on any or all scheduled Summer School days for instruction or assistance from a staff member during Summer School hours. Students may choose to work through the classes off campus with the exception of the on site testing requirements. The last day a staff member will be at school to assist students is Friday, July 22nd. All courses must be completed by Friday, August 5th unless an extension is requested by the student and granted by the Summer School Administrator.

**Chromebooks:** Students will be issued their school owned Chromebooks on the first day they report for Summer School.

**Summer School Hours:** 8:30-11:30 AM, Monday through Friday from June 6th through July 22nd, excluding Monday, July 4th.

**Cost:** There is no charge for Summer School.

**Sign Up:** Email or talk to your counselor to sign up for Summer School. Your counselor will be able to advise you regarding what class(es) are needed for credit recovery and/or what the best choices would be for classes to free up room in your schedule. Students are requested to sign up for classes by Friday, May 6th so that staffing decisions can be made.

**Transportation:** Transportation will not be provided for high school Summer School students.

**Questions:** Contact Greg Roach, Summer School Administrator at [greg.roach@mvcsc.k12.in.us](mailto:greg.roach@mvcsc.k12.in.us).
