Additional Security Measures at Mt. Vernon Schools Due to Active Shooter in Custody at Noblesville Schools

Earlier today, the Mt. Vernon Community School Corporation (MVCSC) administration became aware of a crisis situation at Noblesville West Middle School. There was an active shooter at Noblesville West Middle School who was immediately placed in police custody. As a proactive measure, MVCSC administration immediately contacted our local law enforcement and requested additional monitoring and patrol of our schools.

MVCSC continually works closely with law enforcement, first responders, and emergency personnel to ensure the safety of all those on our campuses. The safety of our students, staff, and visitors is our first priority. We will continue to remain vigilant with our safety procedures and protocol to keep your children safe at Mt. Vernon!
