This handbook contains information for students and parents of Mt. Comfort Elementary. In this handbook are answers too many questions students and parents ask. Also, many items of information which will help students and parents develop a better understanding of the operation of the school are included in this handbook.

Our school is just as good as our students help make it. The benefits of public education are available to all students, but to acquire these benefits the individual must accept responsibilities. It is our hope that each of you learns to accept your responsibilities to your community, to your family, to your classmates, to your school, and most of all, to yourself.

Dear Parents and Guardians,
Hancock County is committed to encouraging the happiness and potential of our youth. Safeguarding their positive future requires your cooperation to ensure consistent school attendance, which is a vital step in helping students to master the academic skills necessary to succeed in life. Truancy can result in damaging and far-reaching consequences and can harmfully impact our young people in ways they may not yet fully comprehend. Students who do not attend school regularly are at much greater risk of developing substance abuse problems and engaging in criminal activity. The State of Indiana has several laws related to school attendance with which you should become familiar. Please be aware that failing to enforce your child's attendance at school is a crime and may lead to criminal prosecution. The relevant Indiana Laws are as follows:

1) IC 20-33-2-28

It is unlawful for a parent to: 1) fail; 2) neglect; or 3) refuse; to send the parent's child to a public school for the full term as required under this chapter unless the child is being provided with instruction equivalent to that given in the public schools.

A violation of this law is class B misdemeanor and is punishable by up to 180 days in jail and a fine of up to \$1,000.

2) IC 35-46-1-4(a)(4)

A person having the care of a dependent...who knowingly or intentionally:
(4) deprives the dependent of education as required by law; commits neglect of a dependent.

A violation of this law is a Level 6 Felony and is punishable by up to 2 ½ years in jail and a fine of up to \$10,000.

3) IC 31-37-2-3

A child commits a delinquent act if, before the age of 18, the child violates 20-33-2 concerning compulsory school attendance.

Hancock County takes the future of its youth seriously. Please give your child the best opportunity to succeed by ensuring lawful school attendance.

The Mt. Vernon School Corporation stresses that regular attendance in school is considered vital for the growth and progress of each child. Valid reasons for excused school absences are as follows:

1. illness of the child, verified by parent note/medical physician's note
1. death in the family,
2. court appointment,
3. required church observance,
4. quarantine,
5. exclusion because of exposure to contagious disease,
6. certain emergencies as interpreted by the principal,
7. pre-arranged absences for a family trip (see page 2).
8. Military Connected Families (e.g. absences related to deployment and return)

Note: All other cases of absence will be considered unexcused.

NOTE: When a student has been absent, he or she must have a note from the parents/Doctor explaining the reason for the absence or the parents may phone, e-mail or fax the school office or teacher with the information. HY YI W gY a i gh VY df Yg YbHX`k JH Jb`H fYY`fl L`gW cc``XUng`cZH Y`UWgYbW` The student has cbYfL` day per each day missed to make up work after he or she returns to school. Students who have been absent due to illness should not return to school until they are "fever free" for 24 hours without the use of fever reducing medication such as Tylenol.

Students must be in attendance at school the day of an activity in order to participate in that day's activities or evening school-sponsored events.

Good school attendance is the most crucial component in the formula for academic success. Indiana's Compulsory Attendance statute, IC 20-33-2 requires students to attend school. Indiana K-8 schools are required by the State's School Accountability Plan to maintain a minimum of 95% attendance.

- Students who have accumulated 4 unexcused or 8 total absences (any type) will be monitored by an administrator, who will review the student's attendance pattern and contact the parents or guardians via letter (letter 1).
- Students who have accumulated 6 unexcused or 10 total absences (any type) will receive a letter of warning regarding attendance (letter 2).
- Students who have accumulated 8 unexcused or 12 total absences (any type) will be placed on an attendance contract and parent meeting will be held (contract & parent meeting) (letter 3).
- Students who have accumulated 10 unexcused absences could be sent to Hancock County Probation for review (letter 4).
- Students who have accumulated 16+ total absences (any type) could be reported to probation and decision formulated as to next steps in their office.
- Students, who in previous years demonstrated attendance inconsistencies, will be monitored after 5 absences or per their attendance contract. Should there be questionable absences, a problem with make-up work, attitude, or effort, the student may have certain restrictions or conditions placed on him or her. Doctor's notes verifying illness, parent conferences, detention, Saturday school, and the notification of legal authorities, are examples of restrictions, which may be used.

When a student is going to be out of school for a family trip, he/she must have a parent contact the school and turn in a completed Pre-Arranged Excused Absence form to the school. Under normal circumstances the contact must be at least two days in advance of the absence. One week notice is preferred. Final approval of the absence will be determined by the principal/designee. The student will be responsible for requesting make-up assignments. If no student or parent contact is made prior to the absence, the absence will be unexcused. As published at the beginning of the year, the first week of spring break (March 13 -17) is designated as make-up days should we have any inclement weather or emergency that would cause school to be cancelled prior to those dates. Martin Luther King Day (Jan. 16) and Presidents Day (Feb. 20) will be used first if applicable.

Failure to attend school without the verified approved excused qualifications will result in the absence being unexcused. On the 4th unexcused day a 2% deduction in grade per daily assignment for each unexcused day will be assessed.

Dentist and doctor appointments are considered valid reasons for children to be absent from school provided that only the time needed for such an appointment is used; school attendance should be expected before and after the appointment, depending on the appointment time. Parents should only send in pre-packaged, purchased items for student consumption in the classroom. We no longer allow parents to send in home-baked goods for students to eat in the classroom. This is due to increasing numbers of students with food allergies, as well as, the risk of certain food poisonings and other problems. The County Board of Health has ruled that home-baked goods should not be brought to school for student consumption in the classroom. Therefore, if you are sending in treats for a class party, please only send pre-packaged purchased items. However, you may still send in home-baked items for evening activities, like PTO functions or musicals, as this rule applies only during the school day. **GtcfY!Vci [\ hW dWU_Yg'UfY'Ugc`bchU`ck YX"**

All classroom textbooks and devices are the property of Mt. Vernon Community School Corporation and on a rental plan. Fee statements for book/device rental, lab fees, and workbooks will be sent out by the end of July and payments will be due by the end of August. You may pay by cash, check, or credit card in the school office or you can pay by credit card online with the link available on the schools website (www.mvcsc.k12.in.us). Payment options are available for those who cannot pay in full.

Please contact the school treasurer to discuss the payment options that are available. Parents who fail to set up a payment plan or make a full payment prior to the due date will be notified regarding their failure to comply.

Mt. Vernon Community School Corporation has engaged Statewide Credit Association (www.statewidecredit.net) to assist us with the collection of book rental fees that we do not receive and for which payment plans have not been arranged. The measures Statewide Credit may take include, but are not limited to; mailing of notification letters of overdue fees, action in small claims court, and reporting to credit rating agencies.

Students will be issued textbook and devices the first week of school. Lab fees are charged in those classes where school furnished supplies are used. Workbooks are consumable and, therefore, purchased outright by the student. Students are expected to maintain reasonable care and upkeep of their textbooks and devices. Damaged or lost books and devices should be reported to the main office immediately. Students will be responsible for the cost of replacing lost or damaged books and devices.

Mt Vernon does offer insurance for devices that can be purchased within the first 30 days of your child starting school. The protection plan must be paid in full prior to the coverage being effective. If the plan is not paid in full prior to the first 30 days of your child starting school then your child will not be covered for the plan period. Students withdrawing during the school year must turn in all books and devices to the main office before a refund can be determined. A refund will not be issued for the protection plan or consumables.

Parents are financially responsible for book rental fees and student activity fees, and any other charges the school may assess for, but not limited to, lost books or devices, cafeteria fees, library books, extracurricular activities, fund raising, and tuition. Parents are also responsible for all reasonable cost of the collection of their account, which may include, but not limited to; late fees, client collection fees,

collection agency fees, reasonable attorney fees, and court costs on any outstanding balances.

Safety in the transportation of our students is a paramount concern. Consequently, strict adherence to rules and procedures is expected from students aboard our buses at all times. A school bus is an educational setting and the grounds for suspension and expulsion listed on pages 21-24 of this handbook apply to discipline situations aboard buses and at bus stops as they do in a school's classroom. Students may be suspended or expelled from school as a consequence of their behavior aboard a bus or at a bus stop. In addition, Indiana Code provides that upon the recommendation of the bus driver, school authorities may deny the privilege of riding a bus to any pupil whose deportment so warrants. All students are expected to abide by the following rules on the school bus:

- A. Each pupil shall be seated immediately upon entering the bus in the place designated by the driver.
- E. No pupils shall stand or move from place to place when the bus is in motion, and no pupils shall have arms, head, or any object out of the window on a bus.
- C. Indecent conduct and loud/boisterous/profane language shall not be tolerated.
- A. Pupils shall not be allowed to tease, scuffle, trip, hold, hit or use their hands, feet or body in an objectionable manner.
- E. No windows or doors will be opened or closed except by permission of the bus driver.
- A. Water guns and other similar objects shall not be allowed on the buses.
- B. Pupils shall not enter or leave the bus while it is in motion; pupils shall wait for a signal from the driver (usually the opening of the entry door) before leaving their seat to exit the bus.
- C. The child should be waiting at the boarding station when the school bus arrives.
- D. No pupil should eat, drink, chewing gum or have candy on the bus.
- E. No pupil should litter on the bus.
- F. All elementary pupils should bring toys in a bag, including balls of any kind.
- G. Pupils shall not use lighters, aerosol type containers, tobacco, or any other object or substance deemed undesirable on the school bus as related to student behavior in our corporation policies.
- H. Pupils should not deface or destroy the school bus. If a pupil causes damage, the student will pay for damage in addition to receiving appropriate discipline.
- I. A child may only ride another bus with a signed "Bus Change Form" by his or her parent and initialed by the principal or designated person.

The following sequence of events may be expected for children who commit a **1bcf** infractions of rules or acceptable standards of behavior while aboard a bus:

First Offense: Driver-Student conference.

Second Offense: Parent notified by phone or postcard.

Third Offense: Referral to school administration. Referral to the school administration may result in a warning and/or suspension of bus riding privileges.

Fourth Offense: Suspension of bus riding privileges for 1 to 3 days.

Fifth Offense: Suspension of bus riding privileges for a minimum of 3 days

Sixth Offense: Suspension of bus riding privileges for 30 days or the remainder of the current semester, whichever is longer.

Minor offenses of student discipline aboard buses include, but are not limited to:

1. Failing to be seated properly while the bus is in motion.
2. Using loud, boisterous, or profane language.
3. Using hands, feet, or body in an objectionable or aggressive manner.
4. Possessing nuisance materials and objects, such as radios, toys, pets, balls, aerosol containers, etc. (students may carry such objects and materials to and from school with the driver's permission, provided that the driver's instructions for doing so are followed closely).
5. Opening of windows without permission.
6. Other violations of the school discipline code and rules of conduct, or the laws of the State of Indiana.
7. Eating or drinking on the bus without the driver's permission.

The following sequence of events may be expected for children who commit a **Ucf** infractions of rules or standards of acceptable behavior while aboard a bus:

If a child rides the wrong bus, the bus will return the child to the school at the end of the bus route for parent/guardian pickup.

Students are expected to be waiting at their designated boarding station when the bus arrives. Bus drivers will strive to keep a consistent day-to-day schedule; however, snow, or other circumstances beyond the driver's control, may affect pick-up times. Drivers cannot be expected to wait or blow their horns for students.

Parents are encouraged to alert drivers if they know their child will not be attending school or riding the bus on a given day. If you have questions or concerns about bus transportation please call 482-4123 or 485-3100.

Breakfast and a hot lunch are served daily at the Elementary Schools. Extra milk is available. Please send in your child's cafeteria money on Mondays. Our computerized accounting system allows parents to pay as far in advance as they like. You will be notified when your account runs low. Our system (and the Indiana State Board of Accounts) will not allow students to charge for later payment. If a child's account has insufficient funds for the day, he or she will not be allowed to buy breakfast and they will be given a cheese sandwich for lunch. If you do not want your child to be able to use their account to purchase "extras," send a note stating this with your child. Please either send money to school in a sealed envelope with the child's name, teacher's name, and amount of check or cash inside, or enroll in our My School Bucks program.

Mt. Vernon Community Schools have enrolled in an internet-based service called My School Bucks. Participation in this service is voluntary; you may enroll at any time. Also, please note that you will be charged a convenience fee of ~ &)' \$' dYf' fUbgUWjcb. Transactions made through My School Bucks before 10 a.m. should be available to students for that day's cafeteria purchases. Mt. Students should NOT bring carbonated beverages or drinks in glass bottles in their lunches.

@ B7 < FCCA' 9LD97H5 H-CBG: Children are expected to behave in the lunchroom in the same courteous manner as they would at home or in a restaurant.

Theft from the cafeteria lunch/breakfast line will not be tolerated. Students who steal from the lunch line will be subject to school discipline.

MVCSC participates in the National School Lunch Program. Students who qualify must submit an application to the school. Applications are available online on the MVCSC website.

At MCE, we believe it is good for parents to visit our school and eat lunch with their children. We encourage you to eat a school lunch with your child. Out of courtesy to our kitchen, please don't just "drop in" at lunchtime. Certain meals require more planning and our kitchen staff needs to know early in the morning how many lunches to prepare each day. Please send a note to your child's teacher by the morning of your visit allowing the teacher to inform the cafeteria of your desire to eat a school lunch that day. Also, if you choose not to eat a school lunch, but want to bring in restaurant food, we will provide a quiet and separate place for you to eat with your child.

- The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with "child exploitation" or "child pornography" as defined by Indiana Criminal Statutes.
- It is "child exploitation," a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes "sexual conduct" by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes "sexual conduct" by a child under the age of 18.
- It is "child pornography," a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes "sexual conduct" by a child who the person knows is less than 16 years of age or who appears less than age 16.
- 10
- "Sexual conduct" is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of "sexual conduct" as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

Mt. Comfort Elementary School is proud to offer a school-wide character education program that incorporates two research based programs, Character Counts and Project Wisdom. These programs' strong ties to academic success have proven to improve academic performance and decrease discipline referrals, suspensions, and expulsions over two to three year spans.

Character Counts is an approach to character education based on six ethical values: trustworthiness, responsibility, respect, fairness, caring, and citizenship that are believed to build the foundation of good character. They are referred to as the six pillars of character. To reinforce the monthly and annual lessons founded in the character pillars, we provide daily character education through Project Wisdom. Each morning students receive a message tied to the importance of their character as it relates to academic success, friendship building, and more. Both Character Counts and Project Wisdom can also be used in the classroom with follow-up activities. Thank you for discussing the importance of these character pillars and life skills at home with your child.

The School Board is committed to the effective use of technology to both enhance the quality of student learning and the efficiency of corporation operations. It also recognizes that safeguards have to be established to ensure that the corporation's investment in both hardware and software is achieving the benefits of technology and inhibiting the negative side effects.

Students will receive an account on the school's computer network. With this educational opportunity comes the responsibility to use these networks in a productive and ethical manner. When your child receives an account number and password, it is extremely important that he/she abide by the Network & Internet Access Agreement for Students (refer to pages 29-31 of this handbook). Any inappropriate use of the computer networks will result in a loss of the privilege to use this educational tool with the possibility of disciplinary action. Since parents are legally responsible for their child's actions, parents may want to stress to their child the importance of using only his/her own account number and password and the necessity of guarding against their use by others. Under no circumstances should a student give his/her account number and password to another student.

Access to the Internet enables students to explore thousands of libraries, databases, and other resources. The corporation expects faculty to blend thoughtful use of the Internet throughout the curriculum and provide guidance and instruction to students in its use. Access to Internet resources will be structured in ways that point students to those evaluated prior to use. However, students will be able to move beyond those resources to others not previewed by staff. Outside of school, families bear responsibility for the same guidance of Internet usage as they exercise with other information services.

Students utilizing corporation provided Internet access must first have the permission of and must be supervised by Mt. Vernon Community School Corporation's professional staff. Students utilizing school-provided Internet access are responsible for good behavior on-line just as they are in a classroom or other area of the school. The same general rules for behavior and communications apply.

The purpose of corporation-provided Internet access is to facilitate communications in support of research education. To remain eligible as users, students' use must be in support of and consistent with the educational objectives of Mt. Vernon Community Schools (MVCSC). Access is a privilege, not a right. Users should not expect that files stored on school-based computers would be private. Electronic messages and files stored on school-based computers may be treated like school lockers. Administrators and faculty may review files and messages to maintain system integrity and ensure that users are acting responsibly.

The intent of this agreement is to ensure that students will comply with all Network and Internet acceptable use policies approved by the Corporation.

In exchange for the use of the Network resources either at school or away from school, the student understands and agrees to the following:

- A. The use of the Network is a privilege, which may be revoked by the Corporation at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to; altering system software, placing unauthorized information, computer viruses or harmful programs on or through the computer and/or network. MVCSC reserves the right to log computer use, monitor file server space, remove files, limit or deny access, and refer the student for other disciplinary actions.
- B. The Corporation reserves all rights to any material stored in files and will remove any material which the corporation, at its sole discretion, believes may be unlawful, obscene, pornographic, abusive, or otherwise objectionable. Students will not use their corporation-approved computer account to obtain, view, download, or otherwise gain access to, distribute, or transmit such materials.
- C. All information and services and features on Corporation resources are intended for the private use of its registered users and any use of them for commercial-for-profit or other unauthorized purposes (i.e. advertisements, political lobbying) is expressly forbidden.
- D. The Corporation resources are intended for the exclusive use of their registered users. The student is responsible for use of his/her account and password and privileges. Any problems arising from the use of the student's account are the responsibility of the account holder. Use of an account by someone other than the registered account holder is forbidden and may be grounds for loss of

access privileges.

- E. Any misuse of the account will result in suspension of the account privileges and/or other disciplinary action determined by MVCSC. Misuse shall include, but not be limited to:
1. intentionally seeking information on, obtaining copies of, or modifying files, other data, or passwords belonging to other users;
 2. disrupting the operation of the Network, Internet, or any other computer system through abuse of or vandalizing, damaging, or disabling the hardware or software;
 3. malicious use of the network through hate mail, harassment, profanity, vulgar statements, or discriminatory remarks;
 4. interfering with others' use of the network or accessing the materials, information, or files of another without their prior approval;
 5. Students shall not access social media for personal use from the Corporation's network, but shall be permitted to access social media for educational use in accordance with their teacher's approved plan for such use. Responding to unsolicited online contact is strictly prohibited for student safety.
 6. unauthorized installation, down-sizing, copying, or use of licensed or copyrighted software or plagiarizing materials;
 7. misrepresenting others on the network or allowing anyone else to use an account other than the account holder;
 8. accessing, uploading, downloading, or distributing pornographic, obscene, or sexually explicit material;
 9. violating any local, state, or federal statute.
- F. Corporation and network resources are to be used exclusively for the support of the academic program, not for entertainment.
- G. Students bringing data files into the system agree to check the file with a virus- detection program before opening the file for use. Should the student deliberately or maliciously infect the network with a virus or cause damage through other vandalism, the student will be liable for any and all repair costs to restore the network to full operation and will be subject to additional disciplinary measures.
- H. The student may only log on and use the network under the immediate supervision of a staff member and only with the student's authorized log-in.

Violation of Corporation policy and rules will result in appropriate suspension of computer access to be determined by MVCSC staff. Additional disciplinary action will be determined at the building level in keeping with existing procedures and practices regarding inappropriate language or behavior. When or where applicable, law enforcement agencies may be involved.

MVCSC makes no warranties of any kind, neither expressed nor implied, for the network/Internet access it is providing. The Corporation will not be responsible for any damages users suffer, including-but not limited to-loss of data resulting from delays or interruptions of service. The Corporation will not be responsible for the accuracy nature, or quality of information.

MVCSC will make all reasonable attempts to prevent inappropriate access to students' personal information through the Internet. The Corporation's intent is to make Internet access available for educational goals and objectives. However, students may find ways to access other materials as well. Even though the Corporation institutes technical methods or systems to regulate students' Internet access, these methods cannot guarantee compliance with the Corporation's acceptable use policy.

MVCSC believes that the benefits to students of access to the Internet exceed any disadvantages. The Corporation is committed to helping students use the Internet responsibly, but it is not possible to monitor student usage at all times. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information. Therefore, MVCSC will provide parents and guardians the option of requesting for their minor children alternative activities not requiring Internet use.

Parent refusal to allow students to make use of the Internet does not prohibit students from taking part in state and locally mandated testing and evaluation on the computer or through the network (e.g. ISTEP+, Core 40 exams, and NWEA testing).

In order to use MVCSC computers, network and Internet resources, parents must sign the front page of the handbook. The student and family for future reference should retain the above rules.

The Family Educational Rights and Privacy Act (“FERPA”) ensures that personally identifiable information of students in school records are kept confidential. The law specifies, however, that certain non-sensitive “Directory Information” may be released for any purpose at the discretion of the school corporation, with general notification of such intent. Please consider this notice as a general notification for this school year.

The Mt. Vernon Community School Corporation board considers students' directory information as: the student's name, address, telephone number, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, height and weight, if a member of an athletic team, dates of attendance, date of graduation, awards received, honor roll listing, and any scholarships received.

This information will not be given to any organization for profit-making purposes. News media and local broadcasting are not deemed as a profit-making purpose.

This directory information may be given to organizations to make students aware of educational or occupational options. Also, please note that United States armed forces recruiters also have a right to a student's name, address and phone number unless the

student's parent/guardian/adult student specifically requests in writing that this information is not released to the armed forces recruiters.

This "Directory Information" is used for a variety of purposes such as: yearbook or student newspaper, student-run television or radio programs, television/radio stations in partnership with the corporation, printed programs for extracurricular activities, news releases to the local media, corporation or education foundation publications, and interviews with local news media. It can also be used on the corporation or education foundation website, corporation or education foundation videos, podcasts, the school corporation's or education foundation's social media channels, broadcast on TV or radio and their stations' websites, or for print in newspaper publications and their websites. In the case of high school students, information can be released to colleges.

Please know that you have the right to request that the school not disclose any or all directory information. Please consider very carefully this decision as this information is typically used in news stories about our students' achievements and classroom activities, honor roll lists, the yearbook, and school directories, and corporation/school newsletters and websites. Should you deny permission for the release of information, any future requests for such information from news media and other individuals will be refused for the duration of the school year.

The parent/guardian/adult child may request that the student's directory information not be released upon written notification to the Corporation within ten (10) days after receipt of the annual public notice. Otherwise, the directory information of the student or former student may be released without further permission.

- a rash or outbreak (This could be symptoms of a variety of things from poison ivy to chicken pox.)
- vomiting or diarrhea
- deep coughing or congestion
- constant itching (This could be a sign of head lice or chicken pox, depending where your child is scratching. If you find your child does have head lice, please let the school nurse know, even if you have already treated your child.)

IMPORTANT: MEDICATIONS PRESCRIBED FOR AN INDIVIDUAL STUDENT SHALL BE KEPT IN THE ORIGINAL CONTAINER BEARING THE ORIGINAL PHARMACY LABEL SHOWING THE PRESCRIPTION NUMBER, DATE FILLED, PHYSICIAN'S NAME, DIRECTIONS FOR USE, DOSAGE, AND THE STUDENT'S NAME. FOR THE SAFETY OF ALL MT. COMFORT ELEMENTARY SCHOOL STUDENTS, WE CAN HAVE NO EXCEPTIONS. ALL OVER-THE-COUNTER MEDICATIONS MUST BE BROUGHT IN THEIR ORIGINAL CONTAINERS.

We suggest that parents send in only the amount of medication needed to take at school. Ask the

pharmacist for a second prescription container with a label so that the amount needed to take at school can be in one container and the remainder left at home in the second container.

Written consent is valid for the time specified on the consent and not longer than one school year. Non-prescription medications will not be given at school unless sent from home by the parent and with the properly completed medication authorization form. When no longer needed, the medication shall be returned to the parent or destroyed if left at school at the end of the school year.

MENINGITIS INFORMATION

An Indiana law requires each year that parents/guardians be informed about meningococcal disease and its vaccine. Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage and limb amputations. Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately there is an immunization available and the U.S. Centers for Disease Control and Prevention recommends routine meningococcal immunizations at 11 to 12 years old. For teenagers, immunization is recommended at high school entry and incoming college freshman. Please talk with your child's health care provider about meningococcal disease and vaccination.

VACCINES

Indiana Code (IC 20-34-4-5) states that a child is not permitted to attend school beyond the first day without furnishing a written record, unless:

- The school gives a waiver (for a period not to exceed 20 days); or
- The local health department or a physician determines that the child's immunizations have been delayed due to extreme circumstances and the required immunization will not be complete by the first day of school. The parent must furnish a written statement and a time schedule approved by a physician or health department: or
- A medical or religious exemption is on file.

We feel it is extremely important that a child learn the responsibility of completing classroom assignments on time.

1. Assigned work is due the next school day at the beginning of that subject. (Unless stated otherwise by teacher.)
2. Work not finished will be graded "as is".
3. Unfinished ("as is") assignments will still require completion or parental conference is suggested.
4. When a child is absent, excused or unexcused, one ~~flex~~flex will be allowed for each day the child was absent to make up assigned work.
5. A child who does not complete assigned work on a regular basis may have to attend detention or Saturday school at Mt. Vernon Middle School.
6. Students must ask for assignments prior to departing for pre-arranged absences. Work will need to be turned in on the day the student returns.

Indiana Indoor Air Quality rule IAC 33-4-3 requires every school to limit all public and private vehicle emissions that might be brought into school buildings. Limiting emissions will improve the health of students and staff through reduced exposure to these emissions. Therefore our school has signs posted to denote that idling is prohibited around the school. Drivers of vehicles are to turn off the engine to their vehicle if it is to be stopped more than five (5) minutes around the school. Any complaint of non-compliance needs to be filed with the Superintendent's office. Non-compliance will be reviewed and action taken as necessary.

Dear Mt Vernon Community School Corporation Third Grade Parent/Guardian:

During the 2010 Indiana General Assembly session state lawmakers passed Public Law 109 requiring all third grade students to take a reading test beginning with the 2011-2102 school year. The test was mandated by law to ensure that all students have the opportunity for future success in school. The new third grade reading test is called IREAD3 and will be administered to our students during the state's testing window, which is in March.

Public Law 109 mandates that students who do not pass IREAD3 will be required to retake the test during the summer testing window. We will establish our testing window once we have the result back from the March testing and know how many students will be required to be retested. Parents of students who must be retested will be notified of the summer testing dates and times. Additionally Public Law 109 mandates that students who do not pass IREAD3 will be required to be placed in third grade reading and take the third grade ISTEP+ exam and the IREAD3 test again next year. Public Law 109 does give exemptions for any student who has been retained twice already before grade four and for any students whose Individual Education Plan dictates that he or she be exempted from passing IREAD3.

Based on the mandates of Public Law 109 the A hJ Yf bcb'7 ca a i b]miGW cc`7 cfdcfUjcb'GW cc` 6 cUFX\ Ug'UXcdHYX'UfYHYb]cb'dc`JWhk Uha UbXUHYg'Ughi XYbhk \ c'XcYg'bchidUgg'F958' 'k j` VY'fYU]bYX']b'h Y'h]fX' [fUXY'Zf'h Y'Z`ck]b['gW cc`mYU'YI WdhZf'h Y'ghi XYbhg'k \ c'ei U]Zni Zf'h Y'ghUHY'YI Ya dh]cb'Ug'bchYX'UVcj Y' Students who are retained will be given reading remediation geared towards their individual needs in order to better prepare them for passing IREAD3. Research clearly indicates that students who are not reading at grade level by the end of the third grade have a significantly higher rate of school failures and dropouts in future years. Mt Vernon will continue to endeavor to give all students the best chance for academic success.

Mt. Comfort Elementary School students have an opportunity to check out books from the media center during their regularly scheduled visits with their homeroom. The loan period is one week. A book may be renewed for one week at the discretion of the library staff according to need, subject matter, reading level, or book condition.

Students are not allowed to check out books that are returned during their class library period. This policy allows other classes the opportunity to borrow the more popular books and allows library staff to remove books from circulation for needed repairs.

Encyclopedias and dictionaries may be checked out for classroom use, but must be returned to the media center by the end of the school day.

Parents are guests in our school, but they are also visitors. All visitors must report to the office and sign-in through Lobby Guard before walking around the building or to specific teachers' rooms. Please contact the teacher to arrange a conference or classroom visit. Visitors must wear badges indicating they have checked in through the office. This helps protect your child's safety and helps prevent any disruption to classroom education or teacher planning time. We encourage parent involvement at Mt. Comfort Elementary. It is important to a child's education that parents show an interest and speak with the teacher in person, by phone or e-mail. Parental visitation should not interfere with the educational program.

Visitation or conference times can be arranged by contacting the teacher during the hours of 7:30 AM - 3:00 PM or sending a note. Parent-Teacher conferences are scheduled in the fall. Dates and times will be announced.

MVCSC is committed to providing high quality instruction to all students; therefore, we utilize a general education initiative called Response to Instruction. RtI represents a systematic method for evaluating the needs of all students and for fostering positive student outcomes through carefully selected and implemented interventions.

RtI is a framework that is to be used for every student in a school, from the low achieving to the high performing students and everyone in between. This implies that high achieving students may be “at risk by not reaching their full potential in a particular area. Thus, “at risk” is not a terminology that is used solely with students who are considered to be low performers: rather it is a term that may be applicable to any student. The IDOE (2009) defines all learners to include: low incidence students, high ability students, minority students, English language learners, children of poverty, students who may be disproportionately placed in special education, as well as those students who do not hold unique characteristics and perform at grade level in the regular classroom.

Our school has a speech-language pathologist (SLP), who identifies and provides intervention services for students with speech and/or language impairments. The SLP works with students with difficulties in areas of articulation, voice, fluency/stuttering, language comprehension, and/or oral expression. MVCSC Administration Service Center also has a preschool speech-language pathologist who evaluates and works with 3-5 year olds.

The speech-language pathologist also completes hearing screenings for all 1st and 4th graders, students

new to our school district, and also any students referred by their teacher or parent. If you do not wish for your child's hearing to be screened, please provide a written statement to the school nurse.

Mt. Comfort Elementary students are expected to dress in clean neat clothes worn in a manner that will not distract from the learning experience. Students are expected to adhere to health and safety standards in their mode of dress. Clothing and appearance that calls undue attention to a student and serves to disrupt the educational function and process of the school is considered inappropriate. Hats, scarves, visors, or other hat-like "head wear" should not to be worn in the building. Footwear should not be overlooked. It should be comfortable and such that is easy to walk and run in during recess and physical education classes. For safety reasons, students should not wear loose fitting sandals (flip-flops) or shoe skates, (Heelies).

Mt. Vernon Community Schools strives to teach students good morals, appropriate decision making, and the dangers of alcohol, drug and tobacco usage. To endorse or tolerate school dress, which promotes negative values, would be counterproductive to the school goals. The following is a list of guidelines for student dress:

- Clothing with objectionable, offensive, obscene, or indecent language or drawing should not be worn.
- Clothing which advertises or promotes alcohol, sex, violence, drugs, tobacco, or any other inappropriate message for school, should not be worn.
- Apparel which is found to degrade discriminate, or disrespect any individual or group is prohibited. Clothing of abbreviated and/or revealing style should not be worn, i.e. bare midriff, sleeveless baggy T-shirts, biker's shorts, tank tops which are revealing.
- Students should refrain from wearing warm weather clothing except during the months of August, September, April, and May.
- Shorts should only be worn during warm weather. We feel it is reasonable that a child's shorts be at least as long or longer than his or her fingertips when standing up straight. Short-shorts are not allowed.

Note: Parents will be contacted and asked to bring appropriate clothing for those students who choose not to follow these guidelines. Students will not be allowed to remain at school if they cannot change into suitable clothing.

All students attending Mt. Comfort Elementary shall be afforded the right to due process regarding suspension, expulsions, and exclusions as outlined in House Enrolled Act No. 1279 as enacted by the General Assembly in 1995. Such right entitles the student and his/her parents to a hearing as outlined by the statute in the case of an expulsion or exclusion, which is a period of time exceeding ten days. A suspension shall be denying the student the right to attend school for a period of time up to ten (10) days. The Board of School Trustees of the Mt. Vernon Community School Corporation in conjunction with the Indiana Code have adopted and listed those reasons, which could result in the suspension, expulsion, or exclusion of a student from school.

Students are supervised during detention by a teacher or administrator. Students are required to bring materials to read or study. Parents are to provide transportation.

SATURDAY SCHOOL - The Saturday School program is offered by the school to keep students in school, and to provide study assistance and personal guidance. A staff member supervises Saturday School. Saturday School meets at Mt. Vernon Middle School from 8:00 a.m. until 11:00 a.m. (1862 W. State Road 234, Fortville, IN 46040) It should be clearly understood that students face immediate out-of-school suspension, for up to ten days, if they are guilty of any of the following:

A school staff member supervises in-school suspension.

Students assigned to in-school suspension are not allowed to participate in any extracurricular activities on the days they are assigned. All work done in in-school suspension may be turned in for a grade.
