From Dr. Parker (MVCSC Superintendent) - Please be advised that Hancock County has now been elevated to a yellow status with a 1.5 factor on the [state COVID-19 dashboard](#). This means there has been an increase in weekly positive cases in our county. We are sharing this information with you for two reasons:

- As of today, we do not foresee any immediate school closures, however, we want to make sure you are prepared for this measure to be taken. We will continue to follow the guidance of the Hancock County Health Department through every step of this pandemic.
- We also ask you to continue to keep your family's health and safety measures as a priority, now and always. MVCSC will continue with requiring masks, hand-washing, and will social distance as much as possible when children are in school, and we ask you to please be vigilant outside of school hours with these same measures.
- As a reminder:
 - If your child has COVID-19 like symptoms, please keep your student home from school and consider keeping siblings home too.
 - If your child tests positive for COVID-19, please inform your school's health clinic ***immediately***. If you learn that your child has tested positive outside of school hours, please ***immediately*** contact the school principal or the corporation nurse at tracy.furnas@mvcsc.k12.in.us.
 - If anyone in your household is being tested for COVID-19, ***please keep ALL students at home from school until results are received***.
 - When your child stays home, or your virtual student is unable to do schoolwork, please call your school's attendance office.
 - If there is any doubt whether a student should attend school, please keep everyone home and call your school's health clinic for guidance.

Parents & Students - Please note the MVMS Student Handbook (p. 45-46) on Academic Eligibility for MVMS Athletics. -

Academic Eligibility - Mt. Vernon Middle School has established the following policy for academic eligibility: 1. Academic eligibility will be checked at the end of each academic

quarter. 2. A student who receives two or more failing grades on their quarterly report card will be ineligible from any athletic competition for the entire next quarter. 1st Quarter Academic Eligibility will be determined by the previous 4th Quarter report card for 7th and 8th grade student athletes. The athlete will become eligible at the end of the next academic quarter if there are not two or more failing grades on their quarterly report card. The MVMS Athletic Department reserves the right, at any time, to conduct grade checks on student athletes to determine the academic eligibility for an athletic competition or multiple athletic competitions.

Student Handbook Guidelines for Mask Compliance - Noncompliance with Safety and Health Procedures. Upon **first offense**, the student will be given a warning, and will be reinstructed by the teacher or staff member/administration regarding safety policy and regulations and a phone call will be made to a parent/guardian documenting the warning. A **second offense** will result in parent/guardian contact by a school administrator notifying the parent/guardian that the next offense will result in the student being designated as a virtual learner. A **third offense** shall be documented and the parent/guardian will be notified of the student being designated as a virtual learner and excluded from in-person enrollment at school for all curricular, extra-curricular, and co-curricular activities.

Short Term E-Learning

Parents, if you have a student that has been asked by school Health Officials to be quarantined for a certain number of days please be sure your student is completing their classroom assignments. This short term e-learning should occur by having your student check email, Google Classroom, and Canvas daily. Teachers will utilize these three platforms to communicate student work. It would also be helpful to have your student reach out to their teachers via email.
