A note from  
the Principal

Welcome Back All!

It has been a nice week back to school at MES. Our fire prevention activities have been a hit and our kiddos have learned some life long lessons again this year.

Even though it has been chilly, we have enjoyed outdoor recess in the sun and fresh air! Please continue to dress your child appropriately. Please read our weather recess guidelines, that will be attached. If your child forgets a coat we usually have an extra they can borrow. We will not hold them in if they do not have a hat or gloves, but they MUST have a coat/outerwear.

Have a GREAT weekend!!
