MES Families,

Please make sure to check in to Skyward to see your child's grades. We are quickly approaching parent teacher conferences and I want you to be as informed as possible going in. Please watch for communication from your child's teachers about how to sign up. This, too, will be through the Skyward system. Please make sure you can login, contact our office if you need a password reset.

We have had several instances of students using their phones during school hours. If cell phones come to school, they need to be turned off and in their backpack. Phones that are used during the day will be taken to the office for parent pick-up.

Have a wonderful weekend!

Mrs. Stephanie Miller, Principal
