Student & Staff safety is our #1 priority

We've made several changes to ensure eating with us as safe as possible. We've eliminated self-serve options. All food will be wrapped and packaged. All food, milk, condiments and utensils will be placed on trays and handed to students by the server. Social distancing will be maintained through the serving lines. Touchless barcode scanners used and cash and checks will not be accepted in the line – money must be loaded online at SchoolPay or turned into cafeteria lock box prior to meal service.

Lunch Kits are comparable to lunchables.

Hummus & Ranch Cup available daily for fresh veggies
