Welcome

Welcome to Mt. Vernon Middle School, home of the Marauders. The administration, faculty, and staff hope that the time you spend here is valuable and enjoyable. We feel we have an excellent school facility that will give you a positive place to study and learn. We also feel we have an outstanding staff of caring adults who want to help you to be successful. However, the most important link in the learning chain is YOU, the student. To learn as much as you possibly can you must apply yourself to your studies and strive to do your personal best everyday.

This handbook contains the answers to many of the questions often asked by students and parents. Please take the time to read through this carefully. If you have questions or concerns about the content, please do not hesitate to ask.

Mt. Vernon Middle School & 8th Grade Academy

Home of the Marauders

Our Mission

Mt. Vernon Middle School will engage, educate, and empower today's students to seize tomorrow's opportunities.

Our Core Convictions

- A school community committed to positive student growth and development.
- A relevant and challenging curriculum.
- A safe and orderly environment that promotes learning.

The Marauder Way

The Marauder Way

“The Marauder Way” is the core behaviors that are expected of every student, every day, in every setting at Mt. Vernon Middle School – including the school bus. Both staff and student input were considered in the development of “The Marauder Way”. They are posted in every classroom, the hallways, the media center and the commons area as a constant reminder of what is expected. They are discussed during announcements and during class. Students who demonstrate behaviors consistent with “The Marauder Way” will receive rewards periodically throughout the school year. The goal of “The Marauder Way” is to decrease the number of incidents requiring disciplinary action, increase attendance and academic success, while acknowledging students who make good choices. It is the conviction of Mt. Vernon Middle School staff that “The Marauder Way” is criteria that can help students be successful at Mt. Vernon Middle School.

Time Schedule

The school day for 6th-7th grade students begins at 8:40 a.m. Dismissal is at 3:35 p.m. The school day for 8th Grade students begins at 8:35 a.m. Dismissal is at 3:30 p.m. The specific class time schedule will be on the student schedules and / or posted on our school website. Mt. Vernon Middle School website is <http://mvms.mvcsc.k12.in.us/>

Incentives

Mt. Vernon Middle School rewards students for a job well done, both academically and behaviorally. Students who follow “The Marauder Way” on a daily basis will have the opportunity to be involved in one or more of the following incentives provided by the staff of MVMS:

Flying Aces: Flying Aces is an incentive program for those students who reach the All “A” or “A/B” Honor Roll. Students make paper airplanes for every A they receive during a grading period. Prizes are awarded for each paper airplane that lands in designated areas of the gymnasium floor.

Great “8” Awards: At the conclusion of every 9 week grading period individual teachers 8GA have the opportunity to nominate up to 2 students to receive a GREAT “8” Award. (All students nominated receive the award automatically.) The GREAT “8” characteristic traits for this award are; Academic Performance, Attendance, Attitude, Character, Leadership, Random Acts of Kindness, Respect, and Trustworthiness.

Students recognized for this award will receive a “GREAT 8” t-shirt, certificate, and a congratulatory letter mailed to the students' parents.

Student of the Month:

Each month team 6th/7th team teachers nominate students to be recognized as student of the month. Students recognized for this award will receive a MVMS t-shirt, certificate, and a congratulatory letter mailed to the students' parents.

Asbestos Statement

The Mt. Vernon Community School Corporation has complied with the AHERA regulations 40 CER Part 763 with the completion of a management plan, with tri-annual and periodic inspection of Asbestos as required by the law. These reports have been filed with the Environmental Protection Agency designee and the Indiana Department of Environmental Management. The report is on file in the Administration Building and is available for public inspection during normal business hours.

Cheating

Cheating is not acceptable behavior at Mt. Vernon Middle School, regardless of any form that it takes. Students caught cheating on a test, homework assignment, class project, report/essay will receive a zero for that assignment and the parent/guardian will be notified of the offense. Students will receive an appropriate consequence. Repeated violations will result in a more serious consequence.

Cafeteria

The lunch menu for students is located on our website at: www.mvcsc.k12.in.us. Please read ahead to understand your lunch choices.

General Procedures—Students are asked to sit in assigned seats in the cafeteria. Students will line up to purchase food in an orderly manner—no pushing, shoving, or yelling. Students will use student ID numbers for account access. Once students are finished with their meals, they are to return their lunch tray to the dish room, throw all trash away, and make sure their tables are clean and litter free. All items purchased must be in clear view of the cashier. The cashier, kitchen staff, or school administration will ask students to empty their purses, jackets or pockets if there is suspicion of a concealed item.

Students are not permitted to use other student’s accounts to pay for their food. No charging for school lunches is allowed

Communication

Electronic Devices

Electronic devices are not needed for any class or activity at Mt. Vernon Middle School (unless permitted by the teacher). This includes MP3 players, CD players, PSP’s, cell phones, etc. If these items are brought to school, they are to be kept in the student’s locker at all times. If they are found being used by the student, or the student is receiving calls and/or messaging through these devices or the phone is a distraction while at school, they will be confiscated and returned to the student at the end of the school day. Multiple offenses will/could result in disciplinary consequences including but not limited to suspension with pending expulsion. Lost or stolen electronic devices are not the responsibility of the school.

Cell Phone Usage: The use of a cell phone during the school day is not permitted at Mt. Vernon Middle School. There is absolutely no reason for students to text, receive phone calls, or take pictures with their cell phones at school.

Inappropriate actions such as the ones listed below often occur with cell phones and may result in disciplinary action at school in addition to reporting to the proper authorities

Important Notice to Students and Parents Regarding Cell Phone Content and Display

The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is a reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.

- It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph, or create a digitalized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, requires persons convicted of or adjudicated as a juvenile delinquent of violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.
- Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school district.

Wireless Communication Devices

Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions, provided that during school hours the WCDs are powered completely off (i.e., not just placed into vibrate or silent mode) and concealed and secured in hall lockers (but not locker room lockers) or vehicles, or stored out of sight.

A "wireless communication device" is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of WCDs: cellular and wireless telephones, pagers/beepers, personal digital assistants (PDAs), Blackberrys/Smartphones, Wi-Fi-enabled or broadband access devices, two-way radios or video broadcasting devices, and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information. Students may not use WCDs on school property or at a school-sponsored activity to access and/or view Internet websites that are otherwise blocked to students at school. "Students may use WCDs while riding to and from school on a school bus or other vehicle provided by the Board or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher and/or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated."

Also, during after school activities when directed by the administrator or sponsor, WCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight.

The requirement that WCDs must be powered completely off will not apply in the following circumstances when the student obtains prior approval from the building principal:

- A. The student is a member of a volunteer fire company/department, ambulance or rescue squad, verified by a letter from the head of the agency.

- B. The student has a special health circumstance (e.g. an ill family member, or his/her own special health condition), verified by a written statement from a licensed physician.

The student is using the WCD for an educational or instructional purpose (e.g. taking notes, recording a class lecture, writing papers) with the teacher's permission and supervision. However, the use of any communication functionality of the WCD is expressly prohibited. This includes, but is not limited to, wireless Internet access, peer-to-peer (ad-hoc) networking, or any other method of communication with other devices or networks. In no circumstances shall the device be allowed to connect to the Corporation's network. The preceding prohibitions do not apply to Board-owned and issued laptops, PDAs or authorized assistive technology devices.

Students are prohibited from using WCDs to capture, record or transmit the words (i.e. audio) and/or images (i.e., pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture, recording or transmission of such words or images. Using a WCD to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal. Students who violate this provision and/or use a WCD to violate the privacy rights of another person shall have their WCD confiscated and held until the end of the school year.

WCDs, including but not limited to those with cameras, may not be possessed, activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower facilities, restrooms, classrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The building principal has authority to make determinations as to other specific locations and situations where possession of a WCD is absolutely prohibited.

No expectation of confidentiality will exist in the use of WCDs on school premises/property.

Students are prohibited from using a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior.

Students are also prohibited from using a WCD to capture and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using their WCDs to receive such information.

Possession of a WCD by a student is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the WCD. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g. child pornography). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the WCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed. Any WCD confiscated by Corporation staff will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian. WCDs in Corporation custody will not be searched or otherwise tampered with unless school officials reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy [5771](#) – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a WCD to school for a designated length of time or on a permanent basis.

A person who discovers a student in possession of or using a WCD in violation of this policy is required to report the violation to the building principal.

Students are personally and solely responsible for the care and security of their WCDs. The Board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

Students may use school phones to contact parents/guardians during the school day.

Adopted 12/21/09

Social Network/Digital Platforms

Mt. Vernon Community School Corporation (MVCSC) acknowledges that students are not restricted from using any on-line social network sites or digital platforms such as Instagram, Facebook, Twitter, and other similar sites while away from school and off school grounds, provided said use is not related to any school activity or event. MVCSC students using social network sites and digital platforms should understand that they are responsible for any and all content they make public via on-line social networks or digital platforms, and all such material is expected to comply with state, local, and federal laws, rules, regulations, and procedures. All such activities that are deemed detrimental to MVCSC students, teachers, administrators and their families may be subject to disciplinary action by MVCSC within such laws, rules, regulations and procedures. MVCSC will prosecute to the fullest extent permitted by law.

MVCSC further acknowledges a student's right to free expression within the confines of the law. In recognition of a student's rights to freely express themselves, MVCSC suggests students conform to the following guidelines in using social networking sites and other digital platforms. (Students must learn to assume responsibility for their actions as well as accept the consequences of said actions) :

- Students are expected to conform to reasonable standards of socially-acceptable behavior at all times;
- Students shall not infringe upon the rights of others through personal attacks, use derogatory or demeaning language, or threats;
- Students shall respect the person, property, and rights of others in accordance with school policy and the law;
- Students should not use obscenities, defamatory statements, disruptive tactics, nor advocate violations of the law, rules, regulations, school policies or procedures, and;
- In no event should a student's actions or expression of opinions substantially impact the educational process of MVCSC or its students.

SPECIAL NOTE: MVCSC students and parents should know that anything posted online enters the public record. Law enforcement agencies, future employers, and college admissions personnel, among others, have used social networking sites as a means of gathering information.

Counseling Program

Each student is given an opportunity to talk with someone regarding his/her interests, problems, future educational plans, or aims in life. This might be the counselor, assistant principal, or principal. Members of the faculty are glad to talk with and encourage all students to learn about and understand themselves, how to make wise choices and friends, how to take part in school activities, and how to make the most of their educational opportunities. In addition, groups meet periodically to discuss issues such as the death of a family member, divorce, anger issues, and classroom difficulties.

Directory Information

The Family Educational Rights and Privacy Act (“FERPA”) ensures that personally identifiable information of students in school records are kept confidential. The law specifies, however, that certain non-sensitive “Directory Information” may be released for any purpose at the discretion of the school corporation, with general notification of such intent. Please consider this notice as a general notification for this school year.

The Mt. Vernon Community School Corporation board considers students’ directory information as: the student’s name, address, telephone number, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, height and weight, if a member of an athletic team, dates of attendance, date of graduation, awards received, honor roll listing, and any scholarships received.

This information will not be given to any organization for profit-making purposes. News media and local broadcasting are not deemed as a profit-making purpose.

This directory information may be given to organizations to make students aware of educational or occupational options. Also, please note that United States armed forces recruiters also have a right to a student’s name, address and phone number unless the student’s parent/guardian/adult student specifically requests in writing that this information is not released to the armed forces recruiters.

This “Directory Information” is used for a variety of purposes such as: yearbook or student newspaper, student-run television or radio programs, television/radio stations in partnership with the corporation, printed programs for extracurricular activities, news releases to the local media, corporation or education foundation publications, and interviews with local news media. It can also be used on the corporation or education foundation website, corporation or education foundation videos, podcasts, the school corporation’s or education foundation’s social media channels, broadcast on TV or radio and their stations’ websites, or for print in newspaper publications and their websites. In the case of high school students, information can be released to colleges.

Please know that you have the right to request that the school not disclose any or all directory information. Please consider very carefully this decision as this information is typically used in news stories about our students’ achievements and classroom activities, honor roll lists, the yearbook, and school directories, and corporation/school newsletters and websites. Should you deny permission for the release of information, any future requests for such information from news media and other individuals will be refused for the duration of the school year.

The parent/guardian/adult child may request that the student’s directory information not be released upon written notification to the Corporation within ten (10) days after receipt of the annual public notice. Otherwise, the directory information of the student or former student may be released without further permission.

Emergency Alert System

In case of emergency or other situations warranting parental notification, the Mt. Vernon Community School Corporation has an automated system for notifying patrons of these events. The alert system will automatically call the main contact numbers listed in Skyward. Therefore, it is critically important for parents to log on to Skyward and update their contact information as it changes. Emergency and school closing information can also be obtained from the MVCSC website at www.mvcsc.k12.in.us.

Emergency Drills

In compliance with 511 IAC 6.1-2-2.5, Mt. Vernon Community School Corporation has developed and implemented **Comprehensive Safety and Crisis Intervention Plans** at the district level and for each individual school. Mt. Vernon Middle School has established procedures for dealing with a wide range of crises and emergency events. Routine drills and practice sessions will be conducted periodically to ensure our preparedness. Drills and practice sessions are intended to teach students proper behavior and appropriate responses in emergency situations. Students are expected to listen closely to adults and to follow their directions quickly during all emergency drills.

Grading Period

Report Cards will be issued on a nine-week basis. Parents, please check your child's progress throughout the grading period on **Skyward Family Access**. Mid-term is at the end of the fourth week of the grading period. Please refer to the school calendar for grading period dates. Your **Skyward Family Access** account numbers do not change from year to year. To obtain your account numbers please call the office.

Grading System

The MVCSC School Board adopted the recommendation by the student assessment task force from 2012-2013. Changes were made in the way grades are determined, and beginning with the start of the 2013-2014 school year, the following grading scale was put into effect:

<u>Letter Grade</u>	<u>Percent</u>	<u>4 Point</u>
A+	100	4.0
A	95-99	4.0
A-	90-94	3.7
B+	87-89	3.3
B	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	73-76	2.0
C-	70-72	1.7
D+	67-69	1.3
D	63-66	1.0
D-	60-62	0.7
F	59 and below	0

- **Skyward Family Access** will reflect student grades as percentages during the nine week grading period.
- At the end of the nine week grading period, all posted grades will be reflected as a letter grade

Extra Credit

The use of extra credit will be used at the teacher's discretion. However, any extra credit used will be academically based, appropriate to the course content and applied for all students. All other forms of extra credit will not be permitted.

Hall Passes

It is important that students be in the classroom during course instruction time unless given permission to be in the hallway. All hall passes must have a teacher/staff member's signature and the time which they were dismissed. Students without passes may be assigned a detention or Saturday School for not following school procedures.

Honor Roll

Following each grading period, an Honor Roll list will be compiled of the names of those students who have accomplished outstanding grades during the grading period. The Honor Roll Program recognizes students for the following accomplishments:

“A” Honor Roll—All A’s; no grade lower than 90%
Honor Roll—All A’s and B’s; no grade lower than an 80%

Health Services

The health room is located in the main office complex. The school nurse is not in the school every day; but she can be reached at anytime during the school day through the health room assistant or other school personnel. The health room assistant will be in the health room every day.

A student needing to see the health room assistant, or wishing to lie down due to illness, must first obtain a pass from his/her classroom teacher and then report to the health room. No student may be in the health room for more than one period. At the time, he/she must either report back to the class or the health room assistant will call a parent/guardian to determine if the student needs to go home. If a student feels ill, he/she should not miss a class by going to the restroom and then notifying the office or teacher later. Instead, he/she must report to his/her teacher and then to the health room assistant so the student will not be counted absent or tardy.

Students needing to take medication during the school day are required to leave the medication with the health room assistant. See the Medication section of this handbook.

Immunizations:

Indiana Code (IC 20-34-4-5) states that a child is not permitted to attend school beyond the first day without furnishing a written record, unless:

- The school gives a waiver (for a period not to exceed 20 days); or
- The local health department or a physician determines that the child's immunizations have been delayed due to extreme circumstances and the required immunization will not be complete by the first day of school. The parent must furnish a written statement and a time schedule approved by a physician or health department: or
- A medical or religious exemption is on file.

Administration of Medication

Administration of medication is consistent with Indiana Law. **Absolutely no medication shall be given or dispensed by the school nurse, health room assistant, or school employee unless a medication authorization form has been properly filled out. Prescription medications require a parent and physician signature. Over-the-counter medications only require a parent signature. This form must be on file in the school office at the time the medication is given to the student. These forms may be obtained by contacting the school office and are available on our website: www.mvcsc.k12.in.us.**

IMPORTANT: Medications prescribed for an individual student shall be kept in the original container bearing the original pharmacy label showing the prescription number, date filled, physician’s name, directions for use, dosage, and the student’s name. For the safety of all Mt. Vernon Middle School students, there can be no exceptions. All over-the-counter medications must be brought in their original containers.

MVMS suggests that parents send in only the amount of medication needed to take at school. Please ask the pharmacist for a second prescription container with a label so that the amount needed to take at school can be in one container and the remainder left at home in the second container.

Written consent is valid for the time specified on the consent and not longer than one school year. Non-prescription medications will not be given at school unless sent from home by the parent and with the properly completed medication authorization form. When no longer needed, the medication shall be returned to the parent or destroyed if left at school at the end of the school year.

Possession and self-administration of some medications is permitted by Indiana State Law. Students with a chronic disease or medical condition may possess and self-administer medication for the chronic disease or medical condition. The authorization must include a note from the physician stating: 1) the student has an acute or chronic disease or medical condition for which the physician has prescribed medication, 2) the student has been instructed in how to self-administer the medication, and 3) the nature of the disease or medical condition requires emergency administration of the medication. The authorization and statement must be filed with the school annually.

Release of Medication

Medication that is possessed by the school for administration during school hours or at school functions for a student may be released to: 1) the student's parent/guardian, 2) an individual who is at least 18 years of age and designated in writing by the student's parent to receive the medication, or 3) the student if the student's parent/guardian provides written permission for the student to receive the medication.

Meningitis Information for Parents/Guardians: An Indiana law requires each year that parents/guardians be informed about meningococcal disease and its vaccine. Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage and limb amputations. Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately there is an immunization available and the U.S. Centers for Disease Control and Prevention recommends routine meningococcal immunizations at 11 to 12 years old. For teenagers, immunization is recommended at high school entry and for incoming college freshman. Please talk with your child's health care provider about meningococcal disease and vaccination.

Latex Allergy Information: Mt. Vernon Community School Corporation will take precautions to protect known and unknown persons with latex allergies (no known latex products in school, ex. balloons, gloves, or bandages).

Food Allergies: MVCSC recognizes the growing number of students enrolling in our schools with potentially life-threatening food and other allergies. As educators we recognize our responsibility to understand the emergency treatments needed while proactively addressing conditions to prevent exposure to specific allergens. We believe a collaborative partnership between the school and family is the best way to achieve this goal.

While the medical and health-related needs are unique for each child, we feel that this collaborative partnership between school, families and medical personnel can provide a safe and healthy learning environment. Families along with their medical staff are the experts on their individual child. MVCSC ask that as your child's advocate for food allergies, that you provide updated medical documentation on the specifics of the child's allergies on yearly bases. Please also provide any medication prescribed by a physician that the student would need should a reaction occur at school such as an Epi pen.

You will be notified if snacks are being provided for your child's classroom, and we encourage the families to send in a supply of "safe snacks" for their student with allergies.

MVCSC will do everything possible to educate the teachers of your student for the upcoming year of these allergies, but as a precaution we ask that you contact your teacher and current health room assistant at the beginning of each school year.

Please contact the school nurse or principal of your student's school if you have any questions or concerns about the plans to accommodate your child's needs.

Lost and Found

An area is provided for the placing of lost and found articles. The lost and found box is located on the north side of the commons area. Articles not claimed at the end of each semester will be removed and sent to a charity organization.

Lockers

All students will be assigned a locker that the student will use throughout the school year. To prevent loss or theft, students should not share locker combinations with other students. Students are not permitted to put their own locks on these lockers. In addition, lockers will not be shared.

School facilities, such as lockers and desks, are school property provided for student use subject to the right of the superintendent and his/her designee to enter the facility as needed and inspect all items in the facility. Students shall not have an expectation of privacy in any facility provided by the school.

Searches, pursuant to School Board Policy 5771, shall also be permitted in all situations in which the student is under the jurisdiction of the Board as defined by IC 20-8.1-5.1-8

Lockers are a privilege, not a right; therefore, the locker privilege may be taken away if the use of the locker violates rules and expectations set forth by the school.

Media Center

The media center is located in the middle of the academic wing of the school building. An orientation at the beginning of each school year familiarizes students with the media center rules and circulation policy. Teachers and students have access to books, magazines, computers, multimedia materials, and equipment. Student's visit the media center with a class, group, or individually to check out books, complete research projects, study and read. Additional Media Center information can be found on the school website www.mvcsc.k12.in.us.

My School Bucks

Mt. Vernon Community Schools has enrolled in an internet-based service called My School Bucks. This service is a website where you can pay for your child's lunches and snacks using your Visa, MasterCard, Discover or American Express. This program also allows you to set alerts for low balance notification and to see a purchase history for your student.

Participation in this service is voluntary; you may enroll at any time. Also, please note that you will be charged a convenience fee of **\$2.50 per transaction**. Transactions made through My School Bucks before 10 a.m. should be available to students for that day's lunch purchases. Mt. Vernon Schools downloads payments from the My School Bucks website three times a day, so if you find that your payment isn't reflected in your student's balance update within 24 hours (during the normal school week), please contact the Food Service Director, Doris Johnson, immediately.

Parent Conferences and Visitation

If at any time parents wish to have a conference with a teacher or a group of teachers, they should call the guidance office to arrange an appointment with the particular person or persons. Far more can be accomplished when records and grades are available. Therefore, parents should refrain from calling a teacher at his/her home to discuss school business or concerns. Whenever a parent wishes to visit while school is in session, he/she should first make arrangements with the principal's office. Parents and/or grandparents are welcome to eat lunch with their child at any time. Students are not permitted to bring friends from other schools at any time. All visitors must sign in at the main office upon entering the school.

Parent Organizations

Parents are encouraged to become active in the middle school's Parent Teacher Organization. The P.T.O. meets four times during the school year. The MVMS PTO is a parent volunteer organization established to assist the middle school teachers through donation of individual's time and resources.

The MVMS PTO Board is made up of the following people: the MVMS Principal, a Teacher Representative, Co-Presidents (2), Co-Vice-Presidents (2), Co-Secretaries (2), Co-Treasurers (2), Volunteer Coordinators (2), Hospitality Coordinators (2), Members-at-Large (3) and the Marauder Wear Coordinator (1).

The MVMS PTO is responsible for assisting in Back-to-School registration, the Spaghetti Supper Fundraiser, PTO sponsored dances and Marauder Wear Sales. The goal of these activities and the PTO is to generate monies to benefit MVMS teachers and students. All monies that are raised are given back to the school thru a process called the Ways & Means Teacher Grant Program.

All MVMS teachers are given the opportunity to complete a form requesting special items that would be beneficial in the classroom. Those teachers who complete the grant form present their request before the MVMS PTO board in the fall at the Ways and Means meeting. Depending on the MVMS PTO funds available, the board then evaluates how to best allocate the funds for the maximum benefit to the students and teachers.

Parent Participation Policy

A parent/guardian/custodian of a dependent student shall be required to participate in any disciplinary action authorized under the Student Due Process code, IC 20-8.1-5.1, as well as the student discipline handbook of this Corporation, at the discretion of and upon proper notice by a school official.

Parent participation includes, but is not limited to, meetings, conferences, hearings, supervising after-school study time, reviewing homework, and assuring regular attendance and attendance after school if necessary.

When a school official deems it necessary to require parent participation to resolve a behavioral problem of a student, the parent shall be notified by written or telephone contact by a school official in advance of the meeting, conference, or hearing, followed by a letter of confirmation.

Upon receipt of proper notice, any parent, guardian, or custodian who fails to comply with the requirements of a school official to participate in the resolution of behavioral problems of a student whose conduct is repeatedly disruptive to the student's own educational progress or the progress of others may be referred to the Hancock County Office of Family and Children and the child may be considered to be a "child in need of services" in accordance with IC 31-6-4-2(a)(7). The parent, guardian, or custodian may also be referred to the Hancock County Probation Department or the Hancock County Prosecuting Attorney's Office.

Pesticide Policy

In accordance with 357 IAC 1-16 parents who wish to be notified prior to any pesticide application done in our school may contact the building principal in writing that they want to be notified. Parents wanting notification should include contact information such as phone numbers and/or email addresses. This is strictly voluntary and offered so that parents who wish to be notified will receive that at least 48 hours before any pesticide application.

Policy Notification Statement on Nondiscrimination

It is the policy of Mt. Vernon Community School Corporation not to discriminate on the basis of race, color, religion, sex, national origin, age, or handicap in its educational programs or employment policies as required by the Indiana Civil Rights Act (IC 22-9-1), IC 20-8.1-2, Titles VI and VII of the Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX (1972 Educational Amendments), Section 504 of the Rehabilitation Act of 1973, and Title I and Title II of the Americans with Disabilities Act of 1990.

Inquires regarding compliance with Title IX, Section 504, and the Americans with Disabilities Act should be directed to:

Assistant Superintendent Mt. Vernon Community School Corporation, 1776 W. State Road #234 Fortville, IN 46040	Office of Civil Rights U.S. Department of Education Washington, D.C.

Restrooms

Restroom facilities are available before and after school, during the breaks between classes, and at lunchtime. Students absolutely needing to use the restrooms during classes must have a permission pass from the teacher. It is expected that restrooms will be kept clean. Students may not remain in the restrooms during class time. If this occurs, disciplinary action for skipping class will occur.

Response to Instruction (RtI)

MVCSC is committed to providing high quality instruction to all students; therefore, we utilize a general education initiative called **Response to Instruction**. **RtI** represents a systematic method for evaluating the needs of all students and for fostering positive student outcomes through carefully selected and implemented interventions.

RtI is a framework that is to be used for every student in a school, from the low achieving to the high performing students, and everyone in between. This implies that high achieving students may be “at risk” by not reaching their full potential in a particular area.

Thus, “at risk” is not a terminology that is used solely with students who are considered to be low performers; rather it is a term that may be applicable to any student.

The IDOE (2009) defines all learners to include; low incidence students, high ability students, minority students, English language learners, children of poverty, students who may be disproportionately placed in special education, as well as those students who do not hold unique characteristics and perform at grade level in the regular classroom.

School Closing Information

All school closing information will be provided to our officially designated radio and television stations. The stations are: WIBC (93.1 FM), WLHK (97.1 FM), WFMS (95.5 FM), WZPL (99.5 FM), WISH-TV (CBS), WRTV-TV (ABC), WTHR-TV (NBC), WXIN-TV (FOX), and HCTV (Channel 19). Every broadcast from 6:30 a.m. on should carry school closings. In addition, all families enrolled in the Emergency Alert System will receive a telephone message stating school closing, delay, or postponement information about all school activities.

Seclusion and Restraint with Students

Seclusion and restraint are to be used only:

- 1) as a last resort safety procedure employed after another, less restrictive procedure has been implemented without success; and
- 2) when there is an imminent risk of injury to the student, other students, school employees, or visitors to the school.

“Physical restraint” means physical contact between a school employee and a student in which the student unwillingly participates and that involves the use of a manual hold to restrict freedom of movement of all or a part of a student’s body or to restrict normal access to the student’s body. **The term does not include:**

- 1) briefly holding a student without undue force in order to calm or comfort the student or to prevent unsafe behavior, such as running into traffic or engaging in a physical altercation;
- 2) physical escort; or
- 3) physical contact intended to gently assist or prompt a student in performing a task or to guide or assist a student from one (1) area to another.

“Seclusion” means the confinement of a student alone or in a room or area from which the student physically is prevented from leaving. The term does not include a supervised time-out or scheduled break, as described in a student’s individualized education program, in which an adult is continuously present in the room with the student.

A student will not be subject to seclusion or restraint unless the student’s behavior poses an imminent risk of injury to the student or others. However, significant violations of the law, including assaults on students and staff, will be reported to the police. As soon as possible after any use of seclusion or restraint, the student’s parent or guardian will be informed and provided with a detailed account of the incident, including the circumstances that led to the use of seclusion or restraint.

Skyward Family Access

Mt. Vernon Community School Corporation has the **Skyward Family Access** online system. **Skyward Family Access** allows students’ families the ability to access important information about their student directly from a computer—anytime, anywhere. Parents and students can view grades, class schedules, and attendance records. PIN slips are mailed after the beginning of each school year. Lost PIN slips can be requested by calling each school’s main office. PIN numbers will not be given over the phone. PIN numbers do not change from year to year.

Speech Program

Our school has a speech-language pathologist (SLP), through Hancock Madison Shelby Educational Services, who identifies and provides intervention services for students with speech and/or language impairments. The SLP works with students with difficulties in areas of articulation, voice, fluency/stuttering, language comprehension, and/or oral expression. The SLP also completes hearing screenings for all 7th graders, students new to our school district, and also any students referred by their teacher or parent. If you do not wish for your child’s hearing to be screened, please provide a written statement to the school nurse.

Student Activities

All student activities must be sanctioned by the administration of the school and must be under the direct supervision of the administration and/or faculty of Mt. Vernon Middle School. The listed activities are school sanctioned activities at Mt. Vernon Middle School. In the past, MVMS has offered the following clubs (see below) and participation was a factor of student interest, parent support and staff participation. Club offerings for 2011-2012 will be determined on an as needed basis culled from student interest. Financial obligations for some of these activities will be based on parental support.

Pay to participate has been approved by the Mt. Vernon Community School Corporation. Middle School non-sport club/activity/group fee is \$25 per person per club/activity/group. Middle School sport participation fee is \$100 per person per sport. Participation fees are in addition to any other fee charged. All students will pay the fees listed for all groups, activities, clubs and sports. No discounts for students who participate in multiple sports/club/activity/group. If not enough students participate in a sport, activity, club, or group, either the group will pay the balance of the cost or the activity will be cancelled. If the activity is cancelled by the corporation, students will receive a refund. Otherwise, participation fees are non-refundable.

Student Education Technology Acceptable Use and Safety

Access to the Internet enables students to explore thousands of libraries, databases, and other resources. The Corporation expects faculty to blend thoughtful use of the Internet throughout the curriculum and provide guidance and instruction to students in its use. Access to Internet resources will be structured in ways that point students to those evaluated prior to use. However, students may be able to move beyond those resources to others not previewed by staff. Safety filters are in place to prevent access to sites deemed inappropriate; however, students may have the opportunity to move to sites that are deemed safe, yet inappropriate for classroom activities.

Students utilizing Corporation provided Internet access must first have the permission of and must be supervised by Mt. Vernon Community School Corporation's professional staff. Students utilizing school-provided Internet access are responsible for good behavior on-line just as they are in a classroom or other area of the school. The same general rules for behavior and communications apply.

The purpose of Corporation provided Internet access is to facilitate communications in support of research education. To remain eligible as users, students use must be in support of and consistent with the educational objectives of the Mt. Vernon Community Schools. Access is a privilege, not a right. Users should not expect that files stored on school-based computers will be private. Electronic messages and files stored on school-based computers may be treated like school lockers. Administrators and faculty may review files and messages to maintain system integrity and ensure that users are acting responsibly.

The intent of this agreement is to ensure that all students will comply with all Network and Internet acceptable use policies approved by the Corporation.

In addition, students will be provided with a school e-mail account for educational purposes and use. This account will be a part of the Google Apps system which provides Mt. Vernon Schools the ability to manage the student's Google accounts. The accounts will have the Mt. Vernon domain (mvsc.k12.in.us) for identification purposes. The Google Apps system will be used by students within the direction and coordination of their classroom teacher.

In exchange for the use of the Network resources either at school or away from school, the student understands and agrees to the following:

- A. The use of the Network is a privilege, which may be revoked by the Corporation at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to: 1) altering system software, 2) placing unauthorized information, computer viruses, or harmful programs on or through the computer, and/or network. Mt. Vernon Community School Corporation reserves the right to log computer use, monitor file server space, remove files, limit or deny access, and refer the student for other disciplinary action.
- B. The Corporation reserves all rights to any material stored in files and will remove any material which the Corporation, at its sole discretion, believes may be unlawful, obscene, pornographic, abusive, or otherwise objectionable. Student will not use their Corporation-approved computer account to obtain, view, download, or otherwise gain access to, distribute, or transmit such materials.
- C. All information, services, and features on Corporation resources are intended for the private use of its registered users and any use of them for commercial-for-profit or other unauthorized purposes (i.e. advertisements, political lobbying) is expressly forbidden.
- D. The Corporation resources are intended for the exclusive use of their registered users. The student is responsible for use of his/her account, password, and privileges. Any problems arising from the use of the student's account are the responsibility of the account holder. Use of an account by someone other than the registered account holder is forbidden and may be grounds for loss of access privileges.
- E. Any issue of the account will result in suspension of the account privileges and/or other disciplinary action determined by the Mt. Vernon Community School Corporation. Misuse shall include, but is not limited to:
 1. Intentionally seeking information on, obtaining copies of, or modifying files, other data, or passwords belonging to other users;
 2. Disrupting the operation of the Network, Internet, or any other computer system through abuse or vandalizing, damaging, or disabling the hardware or software;
 3. Malicious use of the network through hate mail, harassment, profanity, vulgar statements, or discriminatory remarks;
 4. Interfering with others use of the network or accessing the materials, information, or files of another without their prior approval;
 5. Students shall not access social media for personal use from the Corporation's network, but shall be permitted to access social media for educational use in accordance with their teacher's approved plan for such use. Responding to unsolicited online contact is strictly prohibited for student safety.
 6. Unauthorized installation, down-sizing, copying, or use of licensed or copyrighted software or plagiarizing material;
 7. Misrepresenting others on the network or allowing anyone else to use an account other than the account holder;
 8. Accessing, uploading, downloading, or distributing pornographic, obscene, or sexually explicit material;
 9. Violating any local, state, or federal statute.
- F. Corporation and network resources are to be used exclusively for the support of the academic program, not for entertainment.
- G. Students bringing data files into the Network agree to check the file with a virus-detection program before opening the file for use. Should the student deliberately or maliciously infect the Network with a virus or cause damage through other vandalism, the student will be liable for any and all repair costs to restore the Network to full operation and will be subject to additional disciplinary measures.
- H. The student may only log on and use the Network under the immediate supervision of a staff member and only with the student's authorized user name and password.

Violation of Corporation policy and rules will result in appropriate suspension of computer access to be determined by the Mt. Vernon Community School Corporation staff. Additional disciplinary action will be determined at the building

level in keeping with existing procedures and practices regarding inappropriate language and behavior. When or where applicable, law enforcement agencies may be involved.

Mt. Vernon Community School Corporation makes no warranties of any kind, neither expressed nor implied, for the Network/Internet access it is providing. The Corporation will not be responsible for any damages users suffer, including, but not limited to, loss of data resulting from delays or interruptions of services. The Corporation will not be responsible for the accuracy, nature, or quality of information.

Mt. Vernon Community School Corporation will make all reasonable attempts to prevent inappropriate access to a student's personal information through the Internet. The Corporation's intent is to make Internet access available for educational goals and objectives. However, students may find ways to access other materials as well. Even though the Corporation institutes technical methods or systems to regulate students' Internet access, these methods cannot guarantee compliance with the Corporation's acceptable use policy. Mt. Vernon Community School Corporation believes that the benefits to students of access to the Internet exceed any disadvantages. The Corporation is committed to helping students use the Internet responsibly, but it is not possible to monitor student usage at all times. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information. Therefore, Mt. Vernon Community School Corporation will provide parents and guardians the option of requesting for their minor children alternative activities not requiring Internet usage.

Student Drop-Off

6th and 7th Grade parents who bring their child to school or pick them up at the end of the day should not use the drive in front of the middle school when buses are present. Parents are expected to drop students off at the north side of the school building using the football parking lot. Students may then enter the building through the middle set of doors on the north side. Parents picking up their child in the afternoon should park in the north lot in anticipation of student dismissal.

8th Grade Academy parents who bring their child to school or pick them up at the end of the day should use the main drive in front of the high school. Students should not be dropped off prior to 8:15 am. Once dropped off students should report to the cafeteria. Students should not be roaming around the building before school.

Student Fundraising

The School Board acknowledges that the solicitation of funds by or from students must be limited since compulsory attendance laws make the student a captive donor and may also disrupt the program of the school. For purposes of this policy, "student fundraising" shall include the solicitation and collection of money by or from students for any purpose and shall include the collection of money in exchange for tickets, papers, or any other goods or services for approved student activities.

The Board will permit student fundraising by students in school, on school property, or at any school-sponsored event when the profit from this is to be used for school purposes or for an activity connected with the schools. Fundraising by approved school organizations, those whose funds are managed by the Corporation may be permitted in school by the principal. Such fundraising off school grounds may be permitted by the Superintendent. Fundraising by students on behalf of the school-related organization whose funds are not managed by the Corporation may not be permitted on the school grounds by the Superintendent.

In accordance with IC 4-32-9-34, no student under the age of eighteen (18) may play, participate in, or sell tickets for any of the following types of fundraising events: bingo games, charity game nights, raffles, door prizes, fundraising festivals, activities related to pull-tabs, punch boards, tip boards, and the like. All other fundraising shall be done in accordance with Board Policy 9700.

Textbooks, Chrome books, Workbooks, and Fees

All classroom textbooks and chrome books are the property of Mt. Vernon Community School Corporation and on a rental plan. Fee statements for book rental, lab fees, and workbooks will be sent out by the end of August and payment will be due by the end of September. You may pay by cash or check in the school office or you may pay with credit card online through E-Funds on the corporation website under the Skyward link. Payment options are available for those who cannot pay in full. Contact the school treasurer to discuss the payment options. Parents who fail to make full payment by the due date or make arrangements for a payment plan will be notified regarding their failure to comply.

Mt. Vernon Community School Corporation has engaged Statewide Credit Association (www.statewidecredit.net) to assist us with the collection of book rental fees that we do not receive and for which payment plans have not been arranged. The measures Statewide Credit may take include, but are not limited to; mailing of notification letters of overdue fees, action in small claims court and reporting to credit rating agencies.

The classroom teacher will issue textbooks to students on the first day of school. Lab fees are charged in those classes where school furnished supplies are used. Workbooks are consumable and, therefore, purchased outright by the student. Students are expected to maintain reasonable care and upkeep of their textbooks. Damaged or lost books should be reported to the main office immediately. Students will be responsible for the cost of replacing lost or damaged books. Students withdrawing during the school year must turn in all rental books to the main office before a refund can be determined.

Parents are financially responsible for book rental fees and student activity fees, and any other charges the school may assess for, but not limited to, lost books, cafeteria fees, library books, extracurricular activities, fund raising, and tuition. Parents are also responsible for all reasonable costs of the collection of their account, which may include, but not limited to; late fees, client collection fees, collection agency fees, reasonable attorney fees, and court costs on any outstanding balances.

Vehicle Idling Policy

Indiana Indoor Air Quality rule IAC 33-4-3 requires every school to limit all public and private vehicle emissions that might be brought into school buildings. Limiting emissions will improve the health of students and staff through reduced exposure to these emissions. Therefore our school has signs posted to denote that idling is prohibited around the school. Drivers of vehicles are to turn off the engine to their vehicle if it is to be stopped more than five (5) minutes around the school. Any complaint of non-compliance needs to be filed with the Superintendent's office. Non-compliance will be reviewed and action taken as necessary.

Student Dress Code and Appearance

Mt. Vernon Middle School students are expected to dress in clean, neat clothes **to, during, and from school**, which will not detract from the learning experience. Students are expected to adhere to health and safety standards in their mode of dress. No student, while at school or at any school function, whether or not on school premises, shall dress or appear in such fashions as to substantially interfere with a teacher's ability to conduct a class or activity or disrupt or detract from the learning experience, or draw undue attention from other students, or the faculty, or disrupt the normal school routine.

Failure to dress appropriately may result in a discipline referral being received. **Absences resulting from dress code violations are unexcused, and students receive a 2% deduction on grades per class missed.** If there is **doubt about the appropriateness of a garment, it should not be worn.**

The following are examples of clothing or items that are **inappropriate** for the school environment:

1. Clothing with objectionable, offensive, obscene, or indecent language or drawings may not be worn. Clothing which is found to degrade, discriminate, and/or disrespect any individual or group is prohibited.

3. Oversized pants or pants with excessively large pockets are considered inappropriate for school purposes and present an opportunity to conceal contraband; therefore, they will not be allowed. Pants will be worn at the waistline, regardless of length of the shirt. Pants are expected to be worn with a belt if necessary to keep pants at an appropriate level. No holes in pants above the knee are allowed.
4. Shorts, Capri's, skirts, and dresses, including the peak of a slit on a slit skirt, must extend to the top of the knee. All others are considered too short. Leggings (not tights) may be worn under shorter skirts.
5. All tops must cover the chest area. Garments with plunging or revealing necklines may not be worn.
6. Shoulders must be covered with fabric. Tank-tops, spaghetti straps, strapless tops, off-shoulder tops, halter tops may not be worn.

8. Clothing which is torn, ripped, or altered in such a manner as to be revealing or a safety issue may not be worn. No pants may be worn that are torn, ripped or have holes above the knee.
9. Hats, hoods or other head coverings, such as bandanas, headbands, may not be worn inside the school building. Hats are to be kept in lockers during the day.
10. Coats may not be worn during school hours unless authorized by the main office.
11. Hooded sweatshirts are permitted to be worn during the school day. The hood shall not be worn on the student's head at any time. Wearing the hood will result in the student having the sweatshirt confiscated and a parent will be required to pick up the sweatshirt from the main office.

The above noted applies at school, on school grounds, and at school functions on or off school grounds. Repeated acts of inappropriate clothing at school will require a parent to bring properly fitting clothing to school, the student being given detention, Saturday school, In-school suspension, or a recommendation for Out-of-school suspension.

Alcohol, Tobacco, and Drugs

Students under the influence of alcohol, tobacco, or drugs are not capable of achieving at a high level which all stakeholders expect of students at Mt. Vernon Middle School. Therefore, the Mt. Vernon Community School Corporation has established a firm policy with regards to alcohol, tobacco, and drugs. Students either in possession, using, transmitting, selling, or under the influence of alcohol, tobacco, and/or drugs, or substances represented to be alcohol or drugs will be subject to expulsion and arrest. This policy applies to students who are caught on school

grounds before, during, or after school, and at school-sponsored activities on or off school property. For further clarification, see School Board Policy 5530.

Recognizing that alcohol and drug usage may occur with some Mt. Vernon Middle School students, and that some students want to break their ties to alcohol and drug dependence, Mt. Vernon Community School Corporation will assist students who voluntarily seek help. The assistance provided may include school counseling and/or referrals to outside agencies. Confidentiality in these matters will be of the utmost importance. Students who voluntarily seek help will not be penalized by the school, provided school policies regarding possession or usage on school grounds are not violated (see School Board Policy 5530). Students seeking help can do so by discussing the matter with a classroom teacher, a school guidance counselor, or the school administration.

Student use of tobacco violates several sound principles that the Mt. Vernon Community School Corporation supports. First, it is against school and Corporation policies and Indiana Law. Second, smoking in the school building violates state and local fire ordinances. Third, the use of tobacco is contrary to health and safety practices taught in the classroom.

Students caught using and/or in possession of tobacco and/or tobacco products will be subject to suspension and a citation from a law enforcement officer for underage possession of tobacco. Repeated violations will result in a recommendation for expulsion. This policy applies to students who are caught on school property before, during, or after school, and at school-sponsored activities on or off school property.

Attendance

Hancock County Attendance Protocol

One of the cornerstones of a successful middle school education is the development of regular school attendance patterns. The State of Indiana recognizes attendance as an indicator for successful schools and has made attendance a part of the Four Star School Status. Mt. Vernon Middle School has received this award 5 times during the past decade. An averaged daily attendance rate of 97% meets one of the criteria for Four Star Status. This means that all students should miss less than 5 ½ days of school. In addition to this status, regular school attendance is a key element for students to mature intellectually and socially. If a student is going to be absent from school for the day, a phone call must be received by the attendance secretary before 9:15 a.m. each day. Failure to contact the attendance secretary will result in the child receiving an unexcused absence. In addition, the attendance secretary will contact parents/guardians about the child's absence. A parent phone call within three days of the absence will excuse the absence. Students who have been absent due to illness should not return to school until they are "fever free" for 24 hours without the use of fever reducing medications such as Tylenol.

Dear Parents and Guardians,
Hancock County is committed to encouraging the happiness and potential of our youth. Safeguarding their positive future requires your cooperation to ensure consistent school attendance, which is a vital step in helping students to master the academic skills necessary to succeed in life. Truancy can result in damaging and far-reaching consequences and can harmfully impact our young people in ways they may not yet fully comprehend. Students who do not attend school regularly are at much greater risk of developing substance abuse problems and engaging in criminal activity. The State of Indiana has several laws related to school attendance with which you should become familiar. Please be aware that failing to enforce your child's attendance at school is a crime and may lead to criminal prosecution. The relevant Indiana Laws are as follows:

1) IC 20-33-2-28

It is unlawful for a parent to: 1) fail; 2) neglect; or 3) refuse; to send the parent's child to a public school for the full term as required under this chapter unless the child is being provided with instruction equivalent to that given in the public schools.

A violation of this law is class B misdemeanor and is punishable by up to 180 days in jail and a fine of up to \$1,000.

2) IC 35-46-1-4(a)(4)

A person having the care of a dependent...who knowingly or intentionally:
(4) deprives the dependent of education as required by law; commits neglect of a dependent.

A violation of this law is a Level 6 Felony and is punishable by up to 2 ½ years in jail and a fine of up to \$10,000.

3) IC 31-37-2-3

A child commits a delinquent act if, before the age of 18, the child violates 20-33-2 concerning compulsory school attendance.

Hancock County takes the future of its youth seriously. Please give your child the best opportunity to succeed by ensuring lawful school attendance.

Absence Homework Policy

Daily absence homework assignments are available to students via the homework our website at www.mvcsc.k12.in.us/mvms. Upon parent request, worksheets and handouts will be gathered after a student has accumulated three or more days of being absent. Please contact the attendance secretary to make this request. Upon a student's return for an absence, the student will be allowed one day to make up work for each day the student was absent. Teachers may have a more lenient policy and this will be communicated to students and parents. Late work is not accepted. However, individual teachers reserve the right to accept late work due to extenuating circumstances. After a student receives three zeros in a single class, a detention may be assigned.

Pre-Arranged Excused Absence for a Family Vacation

When a student is going to be out of school for a family trip, he/she must have a parent contact the school and turn in a completed Pre-Arranged Excused Absence form to the school. Under normal circumstances, the contact must be at least two days in advance of the absence. One week notice is preferred. Final approval for the absence will be made by the principal/designee. The student will be responsible for requesting make-up assignments. If no student or parent contact is made prior to the absence, the absence will be unexcused. All make-up work missed is due the day the student returns from the absence. (This program is not available during the summer school program.)

No pre-arranged excused absence for a family trip will be granted during the last five (5) days of any nine weeks grading period, during state mandated testing, when a student has accumulated ten (10) absences or more during the school year, or when the requested number of days exceeds that number. A student may accumulate no more than 3

days of pre-arranged excused absences during a school year. Any days in excess of this will be considered unexcused absences. The student must be accompanied on the trip by a parent, guardian, or grandparent.

Pre-Arranged excused absence days may not be taken during make-up days, and any student who has an unexcused absence is not eligible for these days. Pre-excused absence days that exceed the maximum number of excused absences during a school year (10) may be considered unexcused absences.

A separate application must be filed for each student. If you have not received a response from the building principal or the principal's designee within five (5) days of filing the application, please contact the principal. The principal's determination is final.

Reasons for an Excused Absence

According to School Board policy, the valid reasons for school absences are illness of the student, a death in the family, court appointments, required church observances, quarantines, and exclusion from school because of exposure to contagious diseases, certain emergencies as interpreted by the principal, pre-arranged absences for a family trip (see above paragraph), Military connected families (e.g. absences related to deployment and return). Students will be counted present when acting as a page in the legislature or when attending activities under the sponsorship of the school.

Students who have accumulated 10 absences will be monitored by an administrator, who will review the student's attendance pattern and contact the parents or guardians as needed. Students, who in previous years demonstrated attendance inconsistencies, will be monitored after 5 absences. Should there be questionable absences; a problem with make-up work, attitude, or effort, the student may have certain restrictions or conditions placed on him or her. Doctor's notes verifying illness, parent conferences, detention, Saturday school, and the notification of legal authorities, are examples of restrictions, which may be used.

State Fair Attendance Policy

Mt. Vernon students who are formally participating in sanctioned activities for the State Fair (competing, exhibiting, etc.), will be given an excused absence when such is requested at least one week ahead of time through the building principal/designee.

Take Your Daughter and/or Son to Work Day

If a parent or guardian wishes to take a child to work with them on a designated "Take Your Daughter and/or Son to Work Day," the parent or guardian should apply for a prearranged absence as described above.

Tardiness to School

Students who are late to school in the morning or to their first class during the day will be counted tardy. When a student receives his/her third tardy in a nine-week period, he/she will be assigned a detention. Continued tardiness may result in Saturday School, In-School or Out-of-School Suspension, or recommendation for due process for expulsion. Students who arrive late due to morning medical appointments will not be assigned a detention for their appointment as long as documentation of the appointment is provided.

Tardiness to Class

Students not present in the classroom when the tardy bell rings will be counted tardy. A student will receive a detention for every third tardy to class he/she receives. Teachers may have tardy policies that are stricter. If those policies have been given to the students and are on file in the main office, they will apply. Students are permitted 5 minutes passing time between each class.

Unexcused Absence

A student is assigned an unexcused absence when it is determined that the student missed school for no legitimate reason, according to the Mt. Vernon Community School Corporation Board of Education policy dealing with attendance. Additionally, students will receive an unexcused absence if a parent has not contacted the school or provided a written medical excuse to state a legitimate absence. Students who leave the building during the school day and do not get permission before leaving school will also receive an unexcused absence regardless of the reason.

On the fourth (4th) unexcused absence and for each unexcused absence thereafter, the student's homework, tests, quizzes and/or assignments will be subject to a 2% penalty on the days of the unexcused absences (per School Board Policy). At 5 days of unexcused absences, a warning letter will be sent out. If a student has more than 10 days of unexcused absences, they may have their situation referred to the Hancock County Prosecutor's Office for possible legal action. Recommendation for expulsion could occur and grade retention may occur for the following school year.

Students who are truant to school or are found cutting class will be assigned to Saturday School upon their first infraction. Repeated acts will result in a possible out-of-school suspension or recommendation for expulsion.

General Transportation Information

Students are expected to be waiting at their designated boarding station when the bus is to arrive. Bus drivers will strive to keep a consistent day-to-day schedule; however, snow or other circumstances beyond the driver's control may affect pick-up times. Drivers cannot be expected to wait for students. Parents are encouraged to contact Mt. Vernon Community School Corporation's Transportation Department (485-3100) or the bus driver if they know their child will not attend school or will not be riding the bus on a given day.

Students may ride a bus to which he/she is not assigned only by presenting the driver with a permission slip and MVCSC bus change form signed by the parent and the principal/designee. Copies of these will be kept on file in the office.

No one will be permitted on a school bus during normal daily bus routes other than students, authorized school personnel and law enforcement. Bus drivers are directed not to open their door to anyone else while the bus is on its route. Parents/guardians must call their student's school and request to talk to a bus driver, or they may call the driver at the number the bus driver has provided to them.

Bus Conduct Rules

Safety in the transportation of our students is a paramount concern. Consequently, strict adherence to rules and procedures is expected from students aboard our buses at all times. A school bus is an educational setting and the grounds for suspension or expulsion listed in this handbook apply to discipline situations aboard buses and at bus stops as they do in a school's classrooms. Students may be suspended or expelled from school as a consequence of their behavior aboard a bus or at a bus stop. In addition, Indiana Code provided that upon the recommendation of the bus driver, school authorities may deny the privilege of riding a bus to any pupil whose behavior so warrants.

The following sequences of events may be expected by students who commit **minor infractions** of rules or acceptable standards of behavior while aboard a bus:

First Offense	Driver-student conference.
Second Offense	Referral to school administration. Referral to the school administration will result in a warning.
Third Offense	Suspension of bus privileges for a minimum of one day.
Fourth Offense	Suspension of bus privileges for a minimum of three days
Fifth Offense	Suspension of bus privileges for a minimum of five days
Sixth Offense	Suspension of bus privileges for the remainder of the school year.

Minor offenses of student discipline aboard the buses include, but are not limited to the following:

2. Using loud, boisterous, or profane language.
3. Using hands, feet, or body in an objectionable or aggressive manner.
4. Possessing nuisance materials and objects such as radios, cell phones, electronic devices, toys, pets, balls, perfumes and colognes, aerosol containers, etc. Students may carry such objects and materials to and from school with the driver's permission, provided that the driver's instructions for doing so are followed closely.
5. Opening windows without permission.
6. Other violations of the school discipline code and rules of conduct, or laws of the State of Indiana.
7. Eating or drinking on the bus without the driver's permission.

The following sequence of events may be expected by students who commit **major infractions** of rules, or standards of acceptable behavior:

Student Code of Conduct

STUDENT CONDUCT

The student is responsible to the school for his/her actions from the time he/she leaves home in the morning until he/she returns home after school. Administrators and teachers are expected to maintain discipline since they stand in place of the parents during the school day. Observance of the laws of good citizenship shall be required of all Mt. Vernon Middle School students. Classroom aides, lunch aides and school bus drivers have the same authority as a classroom teacher.

The behavior and conduct of students attending Mt. Vernon Community School Corporation shall reflect the standards of good citizenship, high morality, self-discipline, and responsibility for one's own actions that should characterize all members of a democratic society. To this end, positive discipline is a necessary element and provides all students with a healthy learning environment. The Board of School Trustees of the Mt. Vernon Community School Corporation has declared certain student misconduct as grounds for suspension or expulsion from school. Said misconduct shall include, but not be limited to the following acts:

SHOWING OF AFFECTION

Attraction of middle school students is natural and will occur at Mt. Vernon Middle School. Unfortunately, there are times where students will act inappropriately with their feelings toward other students. It is because of this that students refrain from holding hands or kissing at Mt. Vernon Middle School.

STUDENT HAZING

The Mt. Vernon Community School Corporation Board of Education believes that hazing activities are inconsistent with the educational process and prohibits all such activities at any time in the school facilities, on school property, or at any Corporation-sponsored event. Hazing shall be defined for purposes of this policy as performing any act or coercing another, including the victim, to perform any act for initiation into any class, group, or organization that causes or creates a risk of causing mental, emotional, or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

Administrators, faculty members, and other employees of the Mt. Vernon Community School Corporation shall be alert to possible situations, circumstances, or events which might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed by the discoverer of the prohibitions contained in this policy and shall be ordered to end all hazing activities or planned activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Students, faculty members, administrators, and other employees who fail to abide by this policy may be subject to disciplinary actions and may be held personally liable for civil and criminal penalties in accordance with the laws of the State of Indiana.

HARASSMENT

The Mt. Vernon Community School Corporation Board of Education recognizes that a student has a right to learn in an environment that is untainted by any form of harassment or discrimination. Offensive conduct which has the purpose or effect of unreasonably interfering with learning performance or creating an intimidating, hostile, discriminatory, or offensive learning environment disrupts the educational process and impedes the legitimate pedagogical concerns of the Mt. Vernon Community School Corporation. The harassment of a student by a fellow student or staff member of the Mt. Vernon Community School Corporation is strictly forbidden.

SEXUAL HARASSMENT

This topic includes all unwelcome sexual advances, requests for sexual favors, verbal contact, or physical contact of a sexual nature. Other prohibited conduct includes that which has the purpose or effect of creating an intimidating, hostile, discriminatory, or offensive learning environment on the basis of gender, religion, race, color, ethnicity, age, and/or disability.

BULLYING

Bullying is defined as overt, repeated acts/gestures including verbal or written communications transmitted; physical acts committed; or any behaviors committed by a student or a group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student. Because of this, no student shall bully another student on school grounds, immediately before, during, or after school hours, or at any time when the school is being used by a school group; off school grounds at a school activity, function, or event; traveling to or from school or a school activity, function, or event; or while using property or equipment provided by the school. Internet bullying (myspace.com, facebook, etc.) will also be considered within the grounds of bullying at school. Many times this type of bullying is carried over into the school and may result in disciplinary action from the school. Indiana State Law requires all schools to follow strict guidelines dealing with bullying.

Possible disciplinary action for bullying include: A warning, parent notification by phone or letter, after school detention, Saturday School, suspension from school, and / or recommendation for expulsion from attendance at Mt. Vernon Middle School.

Note: All incidents are thoroughly investigated by the administrative staff to determine if the incident is verified. As a reminder school staff cannot share any information regarding discipline of another child with anyone other than his/her parent or Guardian.

STUDENT MISCONDUCT AND/OR SUBSTANTIAL DISOBEDIENCE

A. Student Misconduct and/or Substantial Disobedience- The grounds for suspension and expulsion listed below apply when a student is on school grounds immediately before, during, and immediately after school hours and at any other time when the school is being used by a school group. Also prohibited is the consumption of any of the stated substances immediately before attending school or a school function or event. Prescribed use of a drug authorized by a medical prescription from a physician is not a violation of this rule; however, the prescribed medication must be held in the Health Room along with the documentation. If prescription or over-the-counter medication is kept by students, all disciplinary action is in effect.
9. Possessing, using, or transmitting any substance which is represented to be or looks like a narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, tobacco product, or intoxicant of any kind.

4. The Superintendent shall notify the county prosecuting attorney's office when a student is expelled under this rule.

D. Unlawful Activity

A student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the above criteria which takes place during weekends, holidays, or other breaks, and the summer period when a student may not be attending classes or other school functions.

E. Legal Settlement

A student may be expelled if it is determined that the student's legal settlement is not in the attendance area of the school where the student is enrolled.

Repeated violations of these rules could result in expulsion from school. Students who are suspended (in-school or out-of-school) are excluded from participating in or attending all school activities on the day(s) that the suspension occurs.

For further clarification of student conduct, refer to Mt. Vernon Community School Corporation Board of Education Policy 5000-Students.

POSSIBLE DISCIPLINARY ACTIONS FOR INAPPROPRIATE ACTIONS

CLASS EXCLUSION: During class exclusion, a student is assigned to the office during a specific class for up to five days. While in the office, the student will complete class work assigned by the teacher. In addition, a Saturday School will be assigned for the behavior incident.

SOCIAL PROBATION: Any student who has been involved in an infraction of school rules, or has been found to be in academic non-compliance, may be placed on Social Probation by the administrative staff, in addition to, or in lieu of, other disciplinary actions. Social Probation will be for a definite time period during which critical examination and evaluation of the student's progress should take place.

During the probation period, the student may be denied the privilege of participating in, or attendance at all extracurricular activities (including field trips). If the student is further involved in an infraction of school rules during the probationary period, he/she will be subject to whatever disciplinary action is set forth in the probationary agreement. The parent/guardian will be notified that the student is being placed on Social Probation including the length of the period, the terms of the probation, and the possible consequences of suspension/expulsion if the student is found in further violation of school rules.

DETENTION: Detention is used for relatively minor violations of school rules. Detention is a before or an after school study period. Students are supervised during detention by a teacher or administrator. Students are required to bring materials to read or study. Detentions are held on designated days. Before school detentions will last from 7:30am until 8:30am. After school detentions will last from 3:45 pm to 4:30pm. Students assigned to detention must abide by the rules of the detention. Students who are disruptive or otherwise unable to abide by the detention rules will be assigned a Saturday School. Failure by a student to serve a detention will result in the following:

First Offense	Students will be assigned a Saturday School
Second Offense	Students will be assigned a Saturday School
Third Offense	Students will be assigned a day of In-School Suspension
Fourth Offense	Students will be assigned a day of In-School Suspension
Fifth Offense	Recommendation for expulsion made to the Mt. Vernon

SATURDAY SCHOOL: The Saturday School program is offered by the school to keep students in school, and to provide study assistance and personal guidance. A staff member supervises Saturday School. Saturday School meets at Mt. Vernon Middle School from 8:00 a.m. until 11:00 a.m. It should be clearly understood that students face immediate Out-of-School Suspension, for up to ten days, if they are guilty of any of the following:

1. Being tardy to Saturday School. The main entrance of the Middle School is locked promptly at 8:00 a.m.
2. Failure to attend Saturday School.
3. Misconduct during Saturday School.
4. Failure to come to Saturday School prepared with books and supplies.
5. Failure to complete assignments during Saturday School.

Repeated violations of Saturday School guidelines will result in a recommendation for expulsion.

IN-SCHOOL SUSPENSION: In-School Suspension was created as an alternative to Out-of-School Suspension. Students assigned to ISS may not participate in any sports or extracurricular activities on the day(s) they are assigned. If a student is assigned to ISS, he/she is isolated from the rest of the student population. Assignments for the student are brought to the ISS room and are expected to be completed upon the return to the class. Students will receive full credit for any work completed in ISS. Middle School instructional aids and/or office personnel supervise ISS. If a student violates the rules of ISS, he/she may be suspended from school for up to ten days.

OUT-OF-SCHOOL SUSPENSION: Out-of-School Suspension is used when a student is guilty of a major violation of school rules or when a student is guilty of repeated violations of school rules. Students suspended from attendance at Mt. Vernon Middle School are not permitted to participate in any sport or extracurricular activity on the day(s) they are assigned.

EXPULSION: Expulsion is the removal of a student from school for a period exceeding ten days. An expulsion is usually for the remainder of a semester, but can carry over up to a calendar year. An expulsion would result in the loss of all credits for that period of time.

DUE PROCESS: All students attending Mt. Vernon Middle School shall be afforded the right to due process regarding suspensions, expulsions, and exclusions as outlined in the Indiana Code 20-8.1-1-17 (Burns 28-5303 and 38-5390). Such a right entitles the student and his/her parents to a hearing as outlined by the statute in the case of an expulsion or exclusion, which is a period of time exceeding ten days. The Mt. Vernon Community School Corporation Board of Education in conjunction with the Indiana Code have adopted and listed those reasons, which could result in the suspension, expulsion, or exclusion of a student from school which is outlined in this section.

Introduction of Marauder Athletics for Students and Parents

To Parents

Mt. Vernon Middle School believes that participation in any extracurricular activity provides many opportunities and experiences that assist students in their personal growth and development. The Athletic Department encourages the development of young men and women through athletics, and feels that a controlled, well-organized sports program meets student's needs of self-expression, mental alertness, and physical growth. It is the goal of the Mt. Vernon Middle School Athletics to maintain a program that is sound in purpose and able to further each student's educational and social maturity.

To Students

Being a member of a Mt. Vernon Middle School athletic team is a fulfillment of an ambition for many students; however, participation carries with it certain traditions and responsibilities that must be maintained. An athletic tradition is not built overnight; it takes the hard work of many individuals over many years. As a member of a Mt. Vernon Middle School athletic squad, you have inherited a wonderful tradition, and you will be challenged to uphold it.

Responsibilities to Yourself: The most important of these responsibilities is to develop strength of character. You owe it to yourself to get the most from your experiences at MVMS. Your academic studies, combined with your participation in Mt. Vernon Middle School athletics and other extracurricular activities will do much to prepare you for life as an adult.

Responsibilities to Your School and to Others: Another responsibility you assume is to represent your school in the best way possible. Mt. Vernon Middle School cannot maintain its reputation as an outstanding school unless you do your best in all of the activities with which you are involved. By participating to the best of your ability, you contribute to your school's reputation. You assume a leadership role when you become an athlete. The student body, our community, and other communities judge our school by your conduct and attitudes, both on and off the field/court. Because of this role, you can contribute greatly to your school spirit and community pride. Make Mt. Vernon Middle School proud of you, and your community proud of your school! As a squad member, you also bear a responsibility to your teammates, your family, and to future athletes. When you know in your heart that you have given your all at practice and in competition, your teammates and family will be proud of you. Remember that being a member of a Mt. Vernon Middle School team means that all eyes are focused on you, and students of all ages will look up to you. They will copy you in many ways, whether you realize it or not. Always set a good example and always do your best.

Mt. Vernon Middle School Athletic Code of Conduct

Statement of Adoption

The specific rules and regulations governing Mt. Vernon Middle School athletic programs have been reviewed and agreed upon by the administration of Mt. Vernon Middle School, and are consistent with the policies of the Mt. Vernon Community School Corporation and Mt. Vernon Middle School.

Philosophy

Participation in school athletics is a privilege that carries with it varying degrees of honor, responsibility, and sacrifice. Mt. Vernon Middle School athletes are representing Mt. Vernon Middle School and the school community. Since athletes represent their school and student body, it is their duty to conduct themselves in a manner that is healthy and positive for themselves, their family, their school, and their community. Therefore, athletes are expected to represent the school well and abide by the rules established in this handbook. Our code, like that of Mt. Vernon High School and other middle and high schools, is intended to serve as a deterrent to unacceptable student behavior. However, it is extremely important that our code provides avenues for obtaining help in an attempt to modify student behavior when deemed necessary.

An athlete's conduct in and out of school shall be such as not to reflect discredit upon their school and not to create a disruptive influence on the discipline, good order, and morale or educational environment in the school. It is recognized that the Principal, acting under the advisement of the Athletic Director, faculty, and staff, and by the administrative authority vested in that office, may exclude such contestants from representing the school.

Scope

This code applies to all students connected to the athletic program of Mt. Vernon Middle School and shall govern inclusively all athletes, managers, trainers, and cheerleaders (collectively, "athletes"). The participants, having received this code, must agree to be bound by its contents. Athletes shall be considered in violation of this code if they use, consume, or possess alcoholic beverages, tobacco products, or illicit controlled substances (drugs), or if they commit a felony or engage in acts of vandalism, theft, acts of disrespect, hazing, or actions unbecoming an athlete.

The Mt. Vernon Middle School Athletic Code of Conduct is in effect twenty-four (24) hours a day, twelve (12) months a year.

Additional Training Rules

The Mt. Vernon Middle School Athletic Department delegates to the coach the responsibility of developing a reasonable set of training rules for athletes. Two important conditions are made when making these rules:

1. Rules may not be in conflict with the general rules and policies of Mt. Vernon Middle School, or specific Athletic Department Rule, and
2. All rules should be discussed with the squad prior to the beginning of practice at the first practice session.

Those training rules are considered as valid and binding in addition to this code.

Rules and Regulations

Absences Due to Injury/Illness: An athlete who misses five (5) consecutive days of school or athletic participation due to illness or injury must obtain written permission from a physician and present this to the Athletic Director or coach before they again become eligible for participation. Additional practices are required before regaining eligibility for competitions after an extended absence due to illness or injury.

Academic Eligibility: Mt. Vernon Middle School has established the following policy for academic eligibility:

1. Academic eligibility will be checked at the end of each nine-weeks and at progress report time.
2. A student who receives two failing grades will be ineligible from any athletic participation, including tryouts for a sport. The athlete will become eligible at the end of the next grade check period (either progress report or end of the quarter) if he/she raises the grade to a passing level.

Students should manage their time in order to attend all practices, competitions, and other school functions to achieve high marks in their courses at Mt. Vernon Middle School. If a student athlete fails in managing their time wisely, they should not be involved in athletics. Academics must always be a higher priority than athletics.

Age Eligibility: Athletes may not have reached their sixteenth (16th) birthday on or before the date of the last possible contest for the sport in which the athletes participate. The last possible contest is defined as the last contest which is scheduled or, if a tournament is the last scheduled contest, the championship match of the tournament.

Alcohol, Tobacco, and Other Drugs (ATOD) Use: The usage and/or possession of illicit drugs, alcohol, and tobacco in any form will not be permitted. Please be advised that being in attendance at a party or any place where the illegal possession or use of drugs, alcohol, or tobacco occurs may be grounds for suspension from athletic participation. In keeping with the policies and procedures of the Mt. Vernon High School athletic department, athletes engaging in the use and/or possession of these illicit substances will be disciplined as follows:

First Violation:

1. The student shall be excluded from all athletic participation and competition for 365 days (one calendar year) from the day that said violation is confirmed as fact.
2. The student may reduce the penalty to fifty percent (50%) of the contests in each sport the student participates in for 365 days (one calendar year) by submitting to a substance abuse program of assessment, counseling, screening, and/or indicated therapy. The program must have been approved by the middle school administration and may include a recommendation for parents/guardians to participate. The cost of the program is the responsibility of the student and his/her parents/guardians. The student will serve the remainder of the entire suspension if the Athletic Director is notified that the student has violated any of the stated conditions of the substance abuse program.

3. The total penalty will be reduced to twenty five percent (25%) of the contests in each sport the student participates in for 365 days (one calendar year) if the student or the student's parents/guardians report the violation to the Principal, Athletic Director, or head coach prior to a school official's independent confirmation of a violation. The student must also submit to a substance abuse program as described above.

Second Violation:

1. The student will be suspended from all athletic participation for 365 days (one calendar year) from the day that the second violation is confirmed as fact.

This policy includes the use of alcohol, tobacco, and other drugs when used off school grounds. The use of these substances on school grounds will be handled by the school administration and will generally result in expulsion, which may result in the student forfeiting his/her privilege to participate in athletics at Mt. Vernon Middle School for the remainder of the athlete's middle school career.

Amateurism: Students shall not play under assumed names, accept payment directly or indirectly for athletic participation, or participate in athletic activities, tryouts, auditions, practices, and games held or sponsored by professional athletic organizations, clubs, or their representatives.

Athletic Fee: All athletes have a once per year Athletic fee. This fee helps cover the cost of transportation to and from competitions. If your athlete is in multiple sports, families are expected to pay this fee for their first sport of the school year only.

Attendance: Students are expected to make school attendance their first priority. Students must be in attendance at school by 11:00 a.m. and attend all afternoon classes to be eligible for extracurricular activities that day. Exceptions to this would be a prearranged absence or a school related function. A medical appointment or family emergency during the afternoon will also be exempted if the student attends school prior to the contest.

Awards: All students who successfully complete a season with a given sport will be awarded a Certificate of Participation acknowledging their work and commitment to the team throughout the season. In addition, special awards will be given at the conclusion of each school year:

1. Outstanding Athlete Awards: Two individuals (one boy and one girl) shall be chosen from each grade by the coaching staff and school administration as Outstanding Athletes. These individuals will be honored with a special certificate and the entering of their names on a plaque to be displayed at school.
2. Three Sport Award: Those individuals who participate in three sports (one in each season) during their seventh and eighth grade years shall be recognized as recipients of the Three Sport Award at the conclusion of their eighth grade year. Recipients will be honored with a certificate and a medal acknowledging their accomplishments.

Changing Sports: If an athlete is cut from a team, the athlete may join another team or program in that sport season. Otherwise, an athlete cannot quit one sport to join another until that team is no longer competing. For example, an athlete cannot quit basketball to try out for wrestling until the basketball season has concluded, or until that student has been cut from the basketball program. If an athlete is removed from a team for any reason other than being cut (quitting, rule violation, loss of eligibility, etc.), that athlete will not be allowed to participate in any practice, conditioning program, or weight room activity for any sport until the team from which the athlete was removed is no longer competing. *An athlete may not participate in more than one sport in any given season.*

Chain of Communication: For purposes of resolving disputes, an athlete should speak first with the coach. If the athlete is unable to resolve the dispute, the athlete should then involve his/her parents, who should meet with the coach. If an acceptable resolution still cannot be reached, the parents should contact the Athletic Director, who under guidance and input of the Principal, shall be the final arbiter of all disputes.

Cheerleading: Cheerleading is considered a sport at Mt. Vernon Middle School. All requirements for participation listed here shall apply equally to cheerleaders. The cheerleading coach establishes the procedure for selection of cheerleaders, and the decisions made are final.

Conduct and Character: Athletes conduct, in and out of school, shall be such as not to reflect discredit upon Mt. Vernon Middle School, and not to create a disruptive influence on the discipline, good order, or moral or educational environment in the school. Athletes who violate this rule may be excluded from representing Mt. Vernon Middle School in athletic participation. *Misconduct that leads to an in-school or out-of-school suspension may result in athletic probation and/or suspension from athletics for up to one (1) year.* Only ladies and gentlemen will represent Mt. Vernon Middle School in interscholastic activities.

Conflicts with Non-Athletic Extracurricular Activities: Mt. Vernon Middle School recognizes that every student should have the opportunity for a broad range of experiences in the area of extracurricular activities. However, students should be cautious about participating in too many activities. Conversely, students are also cautioned to refrain from “specializing” in one activity, thus denying themselves a well-rounded school experience. The administration has made every effort to reduce the number of conflicts between athletics and other extracurricular pursuits. If a conflict does arise, the student is encouraged to communicate with all coaches and sponsors involved. If the conflict persists, the student and/or the student’s parent should contact the Athletic Director for assistance. A commitment to a school team indicates that all non-school conflicts should be resolved in favor of the school team. Of course, significant religious holidays, family weddings, and funerals come first.

Disciplinary Eligibility: In accordance with the policies set forth by the school administration and athletic director, disciplinary eligibility will be determined by a student’s position in the STEP program, established in the section of this handbook “Student/Teacher Expectation Plan (STEP)”

Equipment Issue and Return: Mt. Vernon Middle School strives to provide each team member with the best and safest equipment available. Any equipment issued to an athlete must be returned in the same condition (with expected wear and tear) as when issued or the athlete is expected to compensate the athletic department for the lost or damaged equipment. Failure to return equipment or to compensate the school for lost or damaged equipment will result in forfeiture of an award earned in that sport, and may render the athlete ineligible for future sports (until restitution is made).

Grooming and Appearance: Mt. Vernon Middle School athletes act as representatives of the school and community and therefore are expected to exhibit a well-groomed and appropriate appearance. Appearance, expression, and actions always influence people’s opinions of athletes, the team, and the school. Once an athlete has chosen to be a member of a squad, he/she has made a choice to uphold certain standards expected of athletes in this community. The Principal, Athletic Director, and coaches will determine guidelines as needed concerning the appearance of athletes within the context of safety and accepted social norms. It should be noted, however, that school dress codes apply when an athlete is not in uniform, including when at practice, on trips, before games, and after games.

Injuries and Medical Care: All injuries that occur while participating in athletics should be reported to the coach. If the injury requires medical attention by a doctor, trainer, or treatment center, the athlete must obtain the doctor’s permission to return to the activity. Injuries that occur while not participating in athletics at Mt. Vernon Middle School should also be reported, in the interest of promoting the athlete’s safety.

Insurance: Mt. Vernon Middle School administrators and coaches are safety conscious and are trained to instruct athletes in the safe and proper techniques of each sport. Due to the nature of athletic activity, injuries may occur. While the school provides the opportunity for such participation, the parent retains the right of denial of such participation and must carry the responsibility for providing medical care and insurance coverage for their

son/daughter. Parents are strongly encouraged to have a family insurance policy that covers athletic injuries and the cost of treatment, or to purchase insurance specifically for that purpose. ***It should be noted that Mt. Vernon Middle School does not carry any kind of first-dollar medical insurance for athletic injuries.***

Nutritional Supplements: Mt. Vernon Middle School does not encourage or endorse the use of any type of nutritional supplement. The use of products such as protein supplements, amino acid supplements, creatine, weight gain/loss products, or any other items, while not illegal, is a decision that must be made by the athlete and his/her parents, in consultation with a physician.

Parent Meetings: Parents are expected to attend an informational meeting conducted by the athletic department for each sport in which their child is active. Meetings will be held according to the schedule printed in this handbook, and information on the meetings is available from the Athletic Director.

Parent and Student Certification: At the beginning of this handbook, is a form acknowledging and accepting the rules contained in the handbook. The signature of both the athlete and a parent is required, and indicates that each has read and understood these stated policies, and agrees to be bound by them.

Physical Examination: Students desiring to participate in interscholastic athletics must undergo a physical examination performed by a licensed medical doctor prior to the first practice of the sport in which the student will participate. The physical must be resent, having been conducted no earlier than April 1 of the school year prior to the year in which the student wishes to compete. The physical form may be obtained from the Mt. Vernon Middle School Main Office. Additionally, students must complete and sign the included medical history and emergency contact information in order to be eligible for participation. Parents interested in reduced-cost physicals should contact the Athletic Director.

Practice Sessions: Practice sessions will be held prior to the beginning of competition, under the supervision of the coaching staff. Team practices are open to team members and school staff only. Generally, practices are not held on days when school is dismissed early. Coaches may schedule practices Monday through Saturday, and some coaches elect to hold practices during school breaks. Athletes are expected to attend practice when present at school and in accordance with the coach's policy on practice attendance, unless prior arrangement has been made with the coach. Coaches may suspend an athlete from competition if the athlete misses too many practices, or a practice immediately preceding a competition.

Responsibility to Team: Student athletes must remember that their responsibility to the team does not end with the conclusion of a day's practice or competition. Participants should not do anything unnecessary to endanger their health or ability to participate while on school breaks, at home, or during the weekend. Additionally, students should remember that all of the rules are in effect at all times during which an athlete is involved in a Mt. Vernon Middle School athletic program, including outside of school hours.

Sportsmanship: Sportsmanship is an honorable quality that embodies courtesy, fairness, and respect. It is a blending of cheers for the home team and applause for the visitors, observing both the letter and the spirit of the rules, and showing consideration for opponents. In effect, practicing good sportsmanship is practicing the Golden Rule as it pertains to athletic contests. Coaches and athletes should remember that bad sportsmanship is unacceptable in representing Mt. Vernon Middle School. Spectators should realize that an admission ticket is a privilege to observe a contest and support an activity, and not a license to verbally assault others.

Supervision Before, During, and After Extracurricular Events: Coaches and sponsors have an obligation to the school and to parents to provide supervision of athletes during practices and events. However, ***students are not allowed to stay after school*** unless the practice or event in which the student is involved begins immediately after school, or unless the coach or designated adult agrees to supervise the students. Additionally, students must arrange

for transportation after a practice or event. While the coach has a responsibility to make sure that all students are picked up, students and parents should respect the coach enough to be prompt in arranging for pickup after a practice or event.

Ticket Information: Mt. Vernon Middle School charges admission at many of its sporting events. Paid admission tickets help to make it possible for Mt. Vernon Middle School to provide its students the opportunity to participate in interscholastic athletics. This revenue supports the purchase of uniforms, equipment, and supplies for all of the sports offered at Mt. Vernon Middle School. The athletic department sincerely appreciates the outstanding community support its programs receive from its patrons. Single admission tickets will be \$4.00 for adults and students. Preschoolers are admitted free to Mt. Vernon Middle School sporting events. In addition, people over the age of 65 will be admitted free. A single event immediate family ticket will also be available for \$12.00 at any event. This ticket will admit parents and their children to the event, but *all family members s must be present when the ticket is purchased.*

Travel: Mt. Vernon Middle School athletes are required to travel to away athletic contests and special events in school approved vehicles (buses) under adult supervision provided by Mt. Vernon Middle School. Parents may arrange with the coach to pick up their child after the game, but parents must provide the coach notice in accordance with the coach's stated policy.
